News Release of May 2, 2019

Park Place Closure

Beginning on Monday, May 6, 2019, Park Place, between First Avenue through the Harborside Shopping Center driveway closest to First Avenue, will be closed to all through traffic due to reconstruction.

This project will take place in two phases in order to maintain access to the Harborside Shopping Center from Park Place. Current access to the shopping center will be maintained to the drive closest to Harbor Drive. Motorists are advised to follow the established detour up First Avenue to Water Street, Water Street to Harbor Drive and Harbor Drive to Park Place. Signage will be present to guide motorists. Please reference the attached Phase 1 Traffic Control Detour Map.

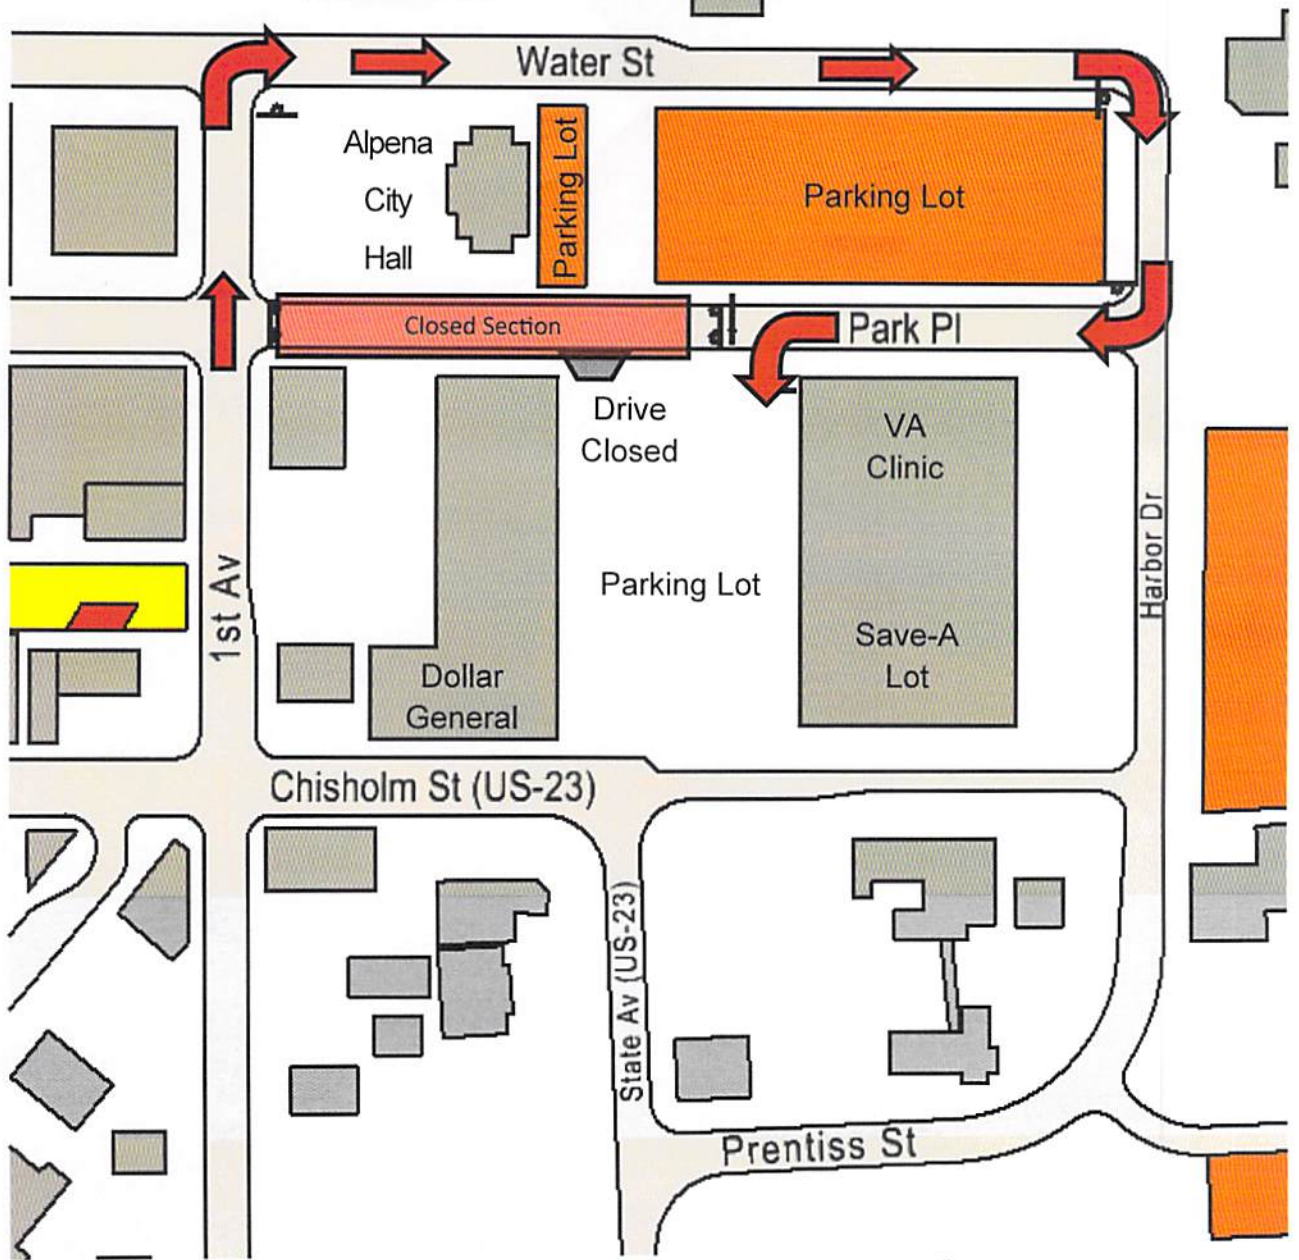

As the project progresses, additional news releases will be issued to inform the public of detour changes and traffic patterns.

This project is expected to take six (6) weeks to complete unless weather or construction delays occur.
