News Release of October 22, 2019

Parking Lot Closure

The large public parking lot behind City Hall, between Water Street and River Street, will be closed Friday, October 25 for the annual Trunk-or-Treat event.

All cars should be removed from the lot Thursday evening so the City can place barricades for the event.

The parking lot will be closed for the entire day on Friday and will not open until after Trunk-or-Treat concludes at approximately 8 p.m.
