## Rescheduled Utility Work & Water Shut Off Notice

Due to construction and weather delays, the intersection of Elizabeth Street and Charlotte Street, will be closed to all traffic for utility repairs beginning Tuesday, July 16, 2019. To facilitate this work, water will be shut off on Tuesday, July 16, 2019, from 8:00 a.m. until approximately 4:00 p.m., weather permitting.

The following areas will be affected by the water shut off:

Elizabeth St. from N. Ripley St. to 11th Ave.  
Charlotte St. from W. Washington Ave. to 11th Ave.  
Catherine St. from N. Ripley St. to 11th Ave.

Please anticipate your water needs before water is shut off. When water is restored refrain from drinking, doing laundry, washing dishes or food preparation until water runs clear.

When water is restored there may be a boil water notice until two consecutive bacteria samples have been approved. This will take at least two days. **You will be notified if a boil water is required.**

Signage and barricades will be present to guide traffic around the construction site. Motorists are advised to use alternate routes.

This work will require the complete closure of the intersection on Tuesday, July 16, 2019, unless weather or construction delays occur. Temporary closures should be anticipated over the following two (2) weeks for street repairs to be completed.
