## News Release of April 13, 2020

### Utility Work & Water Shut Off Notice

Beginning Wednesday, April 15, 2020, the intersections of State Street and Parson Street, Parson Street and Clinton Street, and Bingham Street and Clinton Street will be closed to all traffic due to utility repairs. Due to this work, water will be shut off on Wednesday, April 15, 2020, from 8:00 a.m. until approximately 5:00 p.m.

The following areas will be affected by the water shut off:

State Street from Barry Street to East Campbell Street  
Clinton Street from Barry Street to East Crapo Street  
Parson Street from First Avenue to State Street  
Bingham Street from Second Avenue to State Street  
First Avenue from Bingham Street to Wisner Street  
Barry Street from Clinton Street to State Street

**Please anticipate your water needs before water is shut off.**

When water is restored refrain from drinking, doing laundry, washing dishes or food preparation until water runs clear.

When water is restored there may be a boil water notice until two consecutive bacteria samples have been approved. This will take at least two days. **You will be notified if a boil water is required.**

Signage and barricades will be present to guide traffic around the construction site. Motorists are advised to use alternate routes.

This work will require the complete closure of the intersections on Wednesday, April 15, 2020, unless weather or construction delays occur. Temporary closures should be anticipated over the following two (2) weeks for street repairs to be completed.
