News Release of July 12, 2019

## Utility Work & Water Shut Off Notice

Beginning Monday, July 15, 2019, the intersection of North Ripley Street and Ninth Avenue and the intersection of Elizabeth Street and Charlotte Street, will be closed to all traffic due to utility repairs. Due to this work, water will be shut off on Monday, July 15, 2019, from 8:00 a.m. until approximately 4:00 p.m., weather permitting.

The following areas will be affected by the water shut off:

N. Ripley St. from W. Washington Ave. to Elizabeth St.  
Ninth Ave. from N. Ripley St. to Cavanaugh St.  
Elizabeth St. from N. Ripley St. to 11th Ave.  
Charlotte St. from W. Washington Ave. to 11th Ave.  
Catherine St. from N. Ripley St. to 11th Ave.

Please anticipate your water needs before water is shut off. When water is restored refrain from drinking, doing laundry, washing dishes, or food preparation until water runs clear.

When water is restored there may be a boil water notice until two consecutive bacteria samples have been approved. This will take at least two days. **You will be notified if a boil water is required.**

Signage and barricades will be present to guide traffic around the construction site. Motorists are advised to use alternate routes.

This work will require the complete closure of the intersections on Monday, July 15, 2019, unless weather or construction delays occur. Temporary closures should be anticipated over the following two (2) weeks for street repairs to be completed.
