## News Release of July 15, 2019

### Utility Work & Water Shut Off Notice

Beginning Wednesday, July 17, 2019, the intersection of Parson Street and First Avenue, will be closed to all traffic due to utility repairs. First Avenue at Ripley Street will also be closed but traffic will be maintained on Ripley. Due to this work, water will be shut off on Wednesday, July 17, 2019, from 8:00 a.m. until approximately 4:00 p.m., weather permitting.

The following areas will be affected by the water shut off:

Ripley St. from Mason St. to First Ave.  
LaForest St. from Ripley St. to Oliver St.  
First Ave. from Ripley St. to Sheridan St.  
First Ave. from Ripley St. to Bingham St.  
Parson St. from the dead end to Clinton St.

Please anticipate your water needs before water is shut off. When water is restored refrain from drinking, doing laundry, washing dishes or food preparation until water runs clear.

When water is restored there may be a boil water notice until two consecutive bacteria samples have been approved. This will take at least two days. **You will be notified if a boil water is required.**

Signage and barricades will be present to guide traffic around the construction site. Motorists are advised to use alternate routes.

This work will require the complete closure of the intersection at Parson Street and First Avenue on Wednesday, July 17, 2019, unless weather or construction delays occur. Temporary closures should be anticipated over the following two (2) weeks for street repairs to be completed.
