News Release of September 17, 2019

Utility Work & Water Shut Off Notice

Beginning Wednesday, September 18, 2019, the intersection of Ontario Street and Brooke Street, South Fifth Avenue and Brooke Street, and South Fifth Avenue and Lawn Street will be closed to all traffic due to utility repairs. Due to this work, water will be shut off on Wednesday, September 18, 2019, from 8:00 a.m. until approximately 4:00 p.m.

The following areas will be affected by the water shut off:

Fifth Ave. from Franklin St. to Jefferson St.
Lawn St. from Fourth Ave. to Ontario St.
Brooke St. from Fourth Ave. to Ontario St.
Ontario St. from Brook St. to Franklin St.

Please anticipate your water needs before water is shut off.

When water is restored refrain from drinking, doing laundry, washing dishes or food preparation until water runs clear.

When water is restored there may be a boil water notice until two consecutive bacteria samples have been approved. This will take at least two days. **You will be notified if a boil water is required.**

Signage and barricades will be present to guide traffic around the construction site. Motorists are advised to use alternate routes.

This work will require the complete closure of the intersections on Wednesday, September 18, 2019, unless weather or construction delays occur. Temporary closures should be anticipated over the following two (2) weeks for street repairs to be completed.
