News Release of November 4, 2019

Winter Parking Hours Reminder CORRECTION

Last week the City sent out a reminder of winter parking hours on City streets and in City owned parking lots. Please note the correction regarding parking lots below.

Overnight parking of vehicles in City lots is prohibited, with the exception of the Carter Street lot along the River near the Holiday Inn Express. This lot permits overnight parking at all times.

Also, resident parking is allowed by permit issued by the Downtown Development Authority.
