Notices of Hearings in Bell County District Courts

Effective July 1, 2021, pursuant to Texas Rule of Civil Procedure 21 (f)(10), notices of hearings and trials in the Bell County District Courts will be sent to attorneys, self-represented litigants and other parties by email. Mailed notices will only be sent to those parties who have failed to provide an email address to the court.

If any attorney or party wishes to have notices sent to an email address other than that previously provided to the court, a request should be sent to the coordinator of each district court.
