Bent County Permit Disclaimer

In connection with this application for an on-site wastewater treatment system (septic system),
Applicant acknowledges have read and understood the following:

1. Bent County in granting the permit makes no representation as to the status of Applicant's title to the real property described in the application.
2. The County further makes no representation as to any matter which could be disclosed in a survey, and if Applicant has any questions regarding location of boundary lines, possible encroachments, either by the Applicant or by third party, the location of any easements or rights of way, or any other matter which would be property shown by a survey, the Applicant may obtain a survey from a professional land surveyor.
3. The County makes no representation regarding Applicant's right to legally access the real property described in the application. If Applicant has questions regarding access, Applicant may engage the services of an attorney or professional land surveyor.
4. The County makes no representation as to the availability of any utility services to the property, including but not limited to gas, electricity, water, trash disposal or sewer. If Applicant has questions regarding the availability of utilities, Applicant may request such information from the appropriate utility provider.
