IV. Plan Review Information

Plans must be submitted with an Application for Plan Examination and the appropriate deposit before a permit can be issued, except as listed below.

Plans are not required for the following: Unless the Electrical Inspector requires additional information to ensure code compliance.

1.) When the electrical system rating does not exceed 400 amps and the building is not over 3,500 square feet in area.

2.) Work completed by a governmental subdivision or state agency costing less than $15,000

If work being performed is described above, check box below "Plans Not Required."

What is the rating of the service or feeder in ampere? * _____

What is the building size in square footage? * _____

Electrical components must meet Michigan Energy Codes & Standards, documentation will be requested.

Plans are required for all other building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to 1980 PA 299 and shall bear that architect's or engineer's seal and signature.

Plan Review No. ☐ **Plans Not Required**

V. Applicant Signature

Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 123.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or structure. Violators of section 23a are subject to civil fines.

SIGNATURE OF LICENSEE OR HOMEOWNER * (Homeowner signature indicates compliance with Section VI. Homeowner Affidavit) DATE *

VI. Homeowner Affidavit

I hereby certify the electrical work described on this permit application shall be installed **by myself in my own home** in which I am living or about to occupy. All work shall be installed in accordance with the current Michigan Electrical Code and **shall not be enclosed, covered up or put into operation** until it has been **inspected** and **approved** by the Electrical Inspector. I will cooperate with the Electrical Inspector and assume the responsibility to arrange for any and all necessary inspections.

Rev. 02/20

PLEASE FILL OUT ALL INFORMATION ON THE BACK OF THIS APPLICATION

VII. Fee Clarification

Item #17, Mobile Home Unit Site:

When installing a site service in a park, the permit application must include the application fee, service, plus the number of park sites and a final inspection. When setting a HUD mobile home in a park, a permit must include the application fee, service, feeder and a final inspection. These shall be done by a licensed electrical contractor. When setting a HUD mobile home or a premanufacured home on private property, a permit must include the application fee, service, feeder and final inspections.

Item #41 should be used to ground CSST gas line as required by manufacturer. OR Footing re-bar grounding when other grounding methods are not used.

INCLUDE ALL INSPECTIONS THAT WILL BE REQUESTED IN FEES.

Work Description: * _____

IX. Instructions for Completing Application

General: Electrical work shall not be started until the permit application has been filed with Bridgeport Charter Township. All installations shall be in conformance with the current Michigan Electrical Code. **No work shall be concealed until it has been inspected.** When ready for an inspection, call the Building Department providing at least 24 hours advanced notice. Any questions regarding this permit application may be directed to the Electrical Inspector (989)-777-0940 ext.214 or Building Official (989) 777-0940 ext. 215.

Expiration of Permit: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing work.

A PERMIT WILL BE CLOSED WHEN NO INSPECTIONS ARE REQUESTED AND CONDUCTED WITHIN SIX MONTHS OF THE DATE OF ISSUANCE OR THE DATE OF A PREVIOUS INSPECTION. CLOSED PERMITS CANNOT BE REFUNDED. THE CHARGE TO RE-ACTIVE AN EXPIRED PERMIT IS $65.00 PLUS ANY REQUIRED INSPECTIONS.
