IV. Plan Review Required

Plans must be submitted with an Application for Plan Examination and the appropriate deposit before a permit can be issued, except as listed below:

Plans are not required for the following, unless the Plumbing Inspector requires additional information to ensure code compliance:

1.) One- and two-family dwellings containing not more than 3,500 square feet of building area.
2.) Alterations and repair work determined by the plumbing official to be of a minor nature.
3.) Buildings with a required plumbing fixture count less than 12.
4.) Work completed by a governmental subdivision or state agency costing less than $15,000.

If work being performed is described above, check box below "Plans Not Required."

Plumbing components must meet Michigan Energy Codes & Standards, documentation will be requested.

Plans are required for all other building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to 1980 PA 299 and shall bear that architect's or engineer's seal and signature.

Plan Review Submission No.: _____ ☐ **Plans Not Required**

V. Applicant Signature

Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or residential structure. Violators of section 23a are subject to civil fines.
