CONTRACTOR NAME: \_\_\_\_\_

BILLING ADDRESS: \_\_\_\_\_

CONTACT NAME: \_\_\_\_\_

PHONE #: \_\_\_\_\_ CELL # \_\_\_\_\_

RENTAL PERIOD: DATE PICKED UP: \_\_\_\_\_ ESTIMATED RETURN DATE: \_\_\_\_\_

BEGINNING READ: \_\_\_\_\_

A deposit of \$2,300 is required for temporary use of a water meter. Upon completion of use, the meter shall be returned to the City of Brighton. At such time, the meter will be inspected to ensure working order. A billing for the rental, water usage, and any damage will be calculated for the applicant at rates set forth in attached return form. The amount due will be deducted from your deposit and either a refund check or invoice for the balance will be mailed to you. The person renting the meter is responsible for the meter. You will also need to pump the hydrant down after every use each day freezing temperatures exist. If the meter is not returned within 60 days after the estimated return date and an extension has not been requested and granted, the City shall retain the \$2,300 deposit.

**By signing this agreement, applicant has read and agrees to the above conditions, and will pay the applicable fees in the attached Hydrant Meter Return Form upon return.**
