Driver 1 states that while parked on the side of 90 Jersey Avenue, Vehicle 2 impacted her vehicle. Vehicle 2 was backing when impact occurred and Vehicle 1 was parked. Driver 2 states that while sitting in his parked vehicle, his Vehicle was impacted from the rear by Vehicle 1.

I was able to review video surveillance provided by 90 Jersey Avenue. The video without question shows that Vehicle 2 backs up and impacts Vehicle 1 which is parked. Driver one is an employer of 90 Jersey Avenue and told to obtain a copy of the video for her records if the crash is contested at a later date.

135 Crash Description

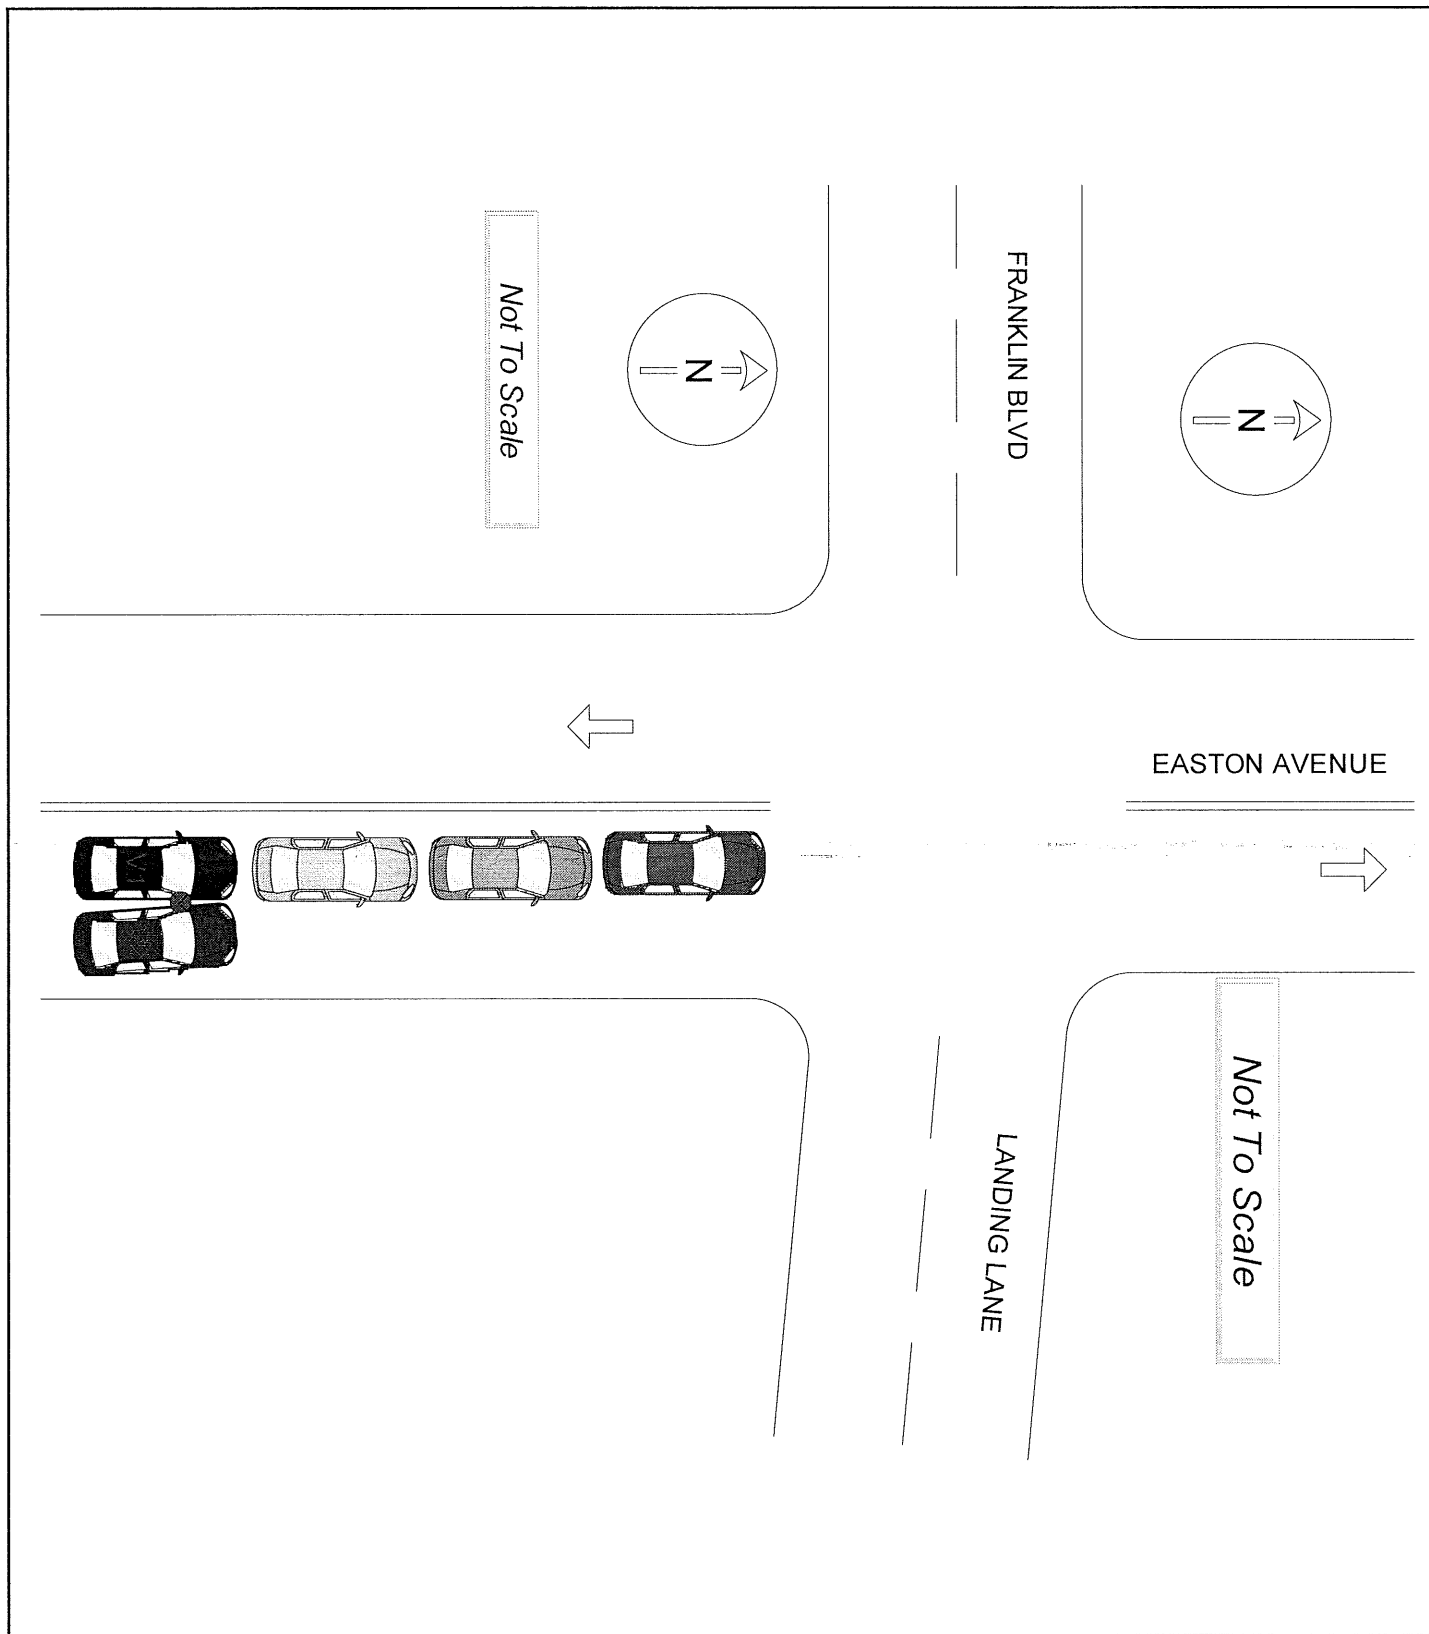

On the noted date and time, I was dispatched to Easton/Landing for a reported motor vehicle accident.

Driver 1 stated that he was traveling north on Easton Avenue in a line of cars in traffic. As he proceeded on Easton Avenue in stop and go rush hour traffic, he observed Vehicle 2 traveling on the rightside of the roadway passing the line of cars sitting in traffic. When Vehicle 2 attempted to merge from the right side of the roadway into the travel lane, Vehicle 2 impacted his vehicle.

I then spoke with Driver 2. Driver 2 advised that while in the right lane, he attempted to merge with traffic as other vehicles always do. When Driver 2 attempted to merge with the other traffic, Vehicle 1 failed to let him in and impacted his vehicle. It should be noted that I questioned Driver 2 regarding the roadway and how many lanes were present. Driver 2 stated that there are 2 lanes. On this portion of the roadway, the roadway is wide enough to support 2 travel lanes in each direction. However, the markings on the road have a double yellow line and allow traffic to flow one lane in each direction.

135 Crash Description

Vehicle 1 was parked and unoccupied on Dix Street. Vehicle 2 was not present during my arrival. The caller Justin Goldberg stated that no one witness the motor vehicle accident. Goldberg noticed that vehicle 1 had damage to the left side view mirror. Goldberg stated that some individuals heard a loud bang and witnessed a 4 door vehicle flee the scene, but were not able to get the license plate. A canvass of the area for surveillance cameras was met with negative results.

Nothing further to report at this time

135 Crash Description

According to D1: D1 stated that while traveling behind V2, he observed V2 pulling over toward the right side of the road. It should be noted that V2 is a registered and marked Taxi Cab. D1 assumed V2 was dropping off passengers and attempted to pass V2 on the left. It should also be noted that at that time of the incident, V2 had 3 passengers on board. The passengers left the vehicle and the area prior to my arrival on scene. D1 further stated that as he was attempting to pass V2, D2 attempted to make an improper U-turn to take an exit on the opposite side of the street. D1 stated that V1 then collided with V2.

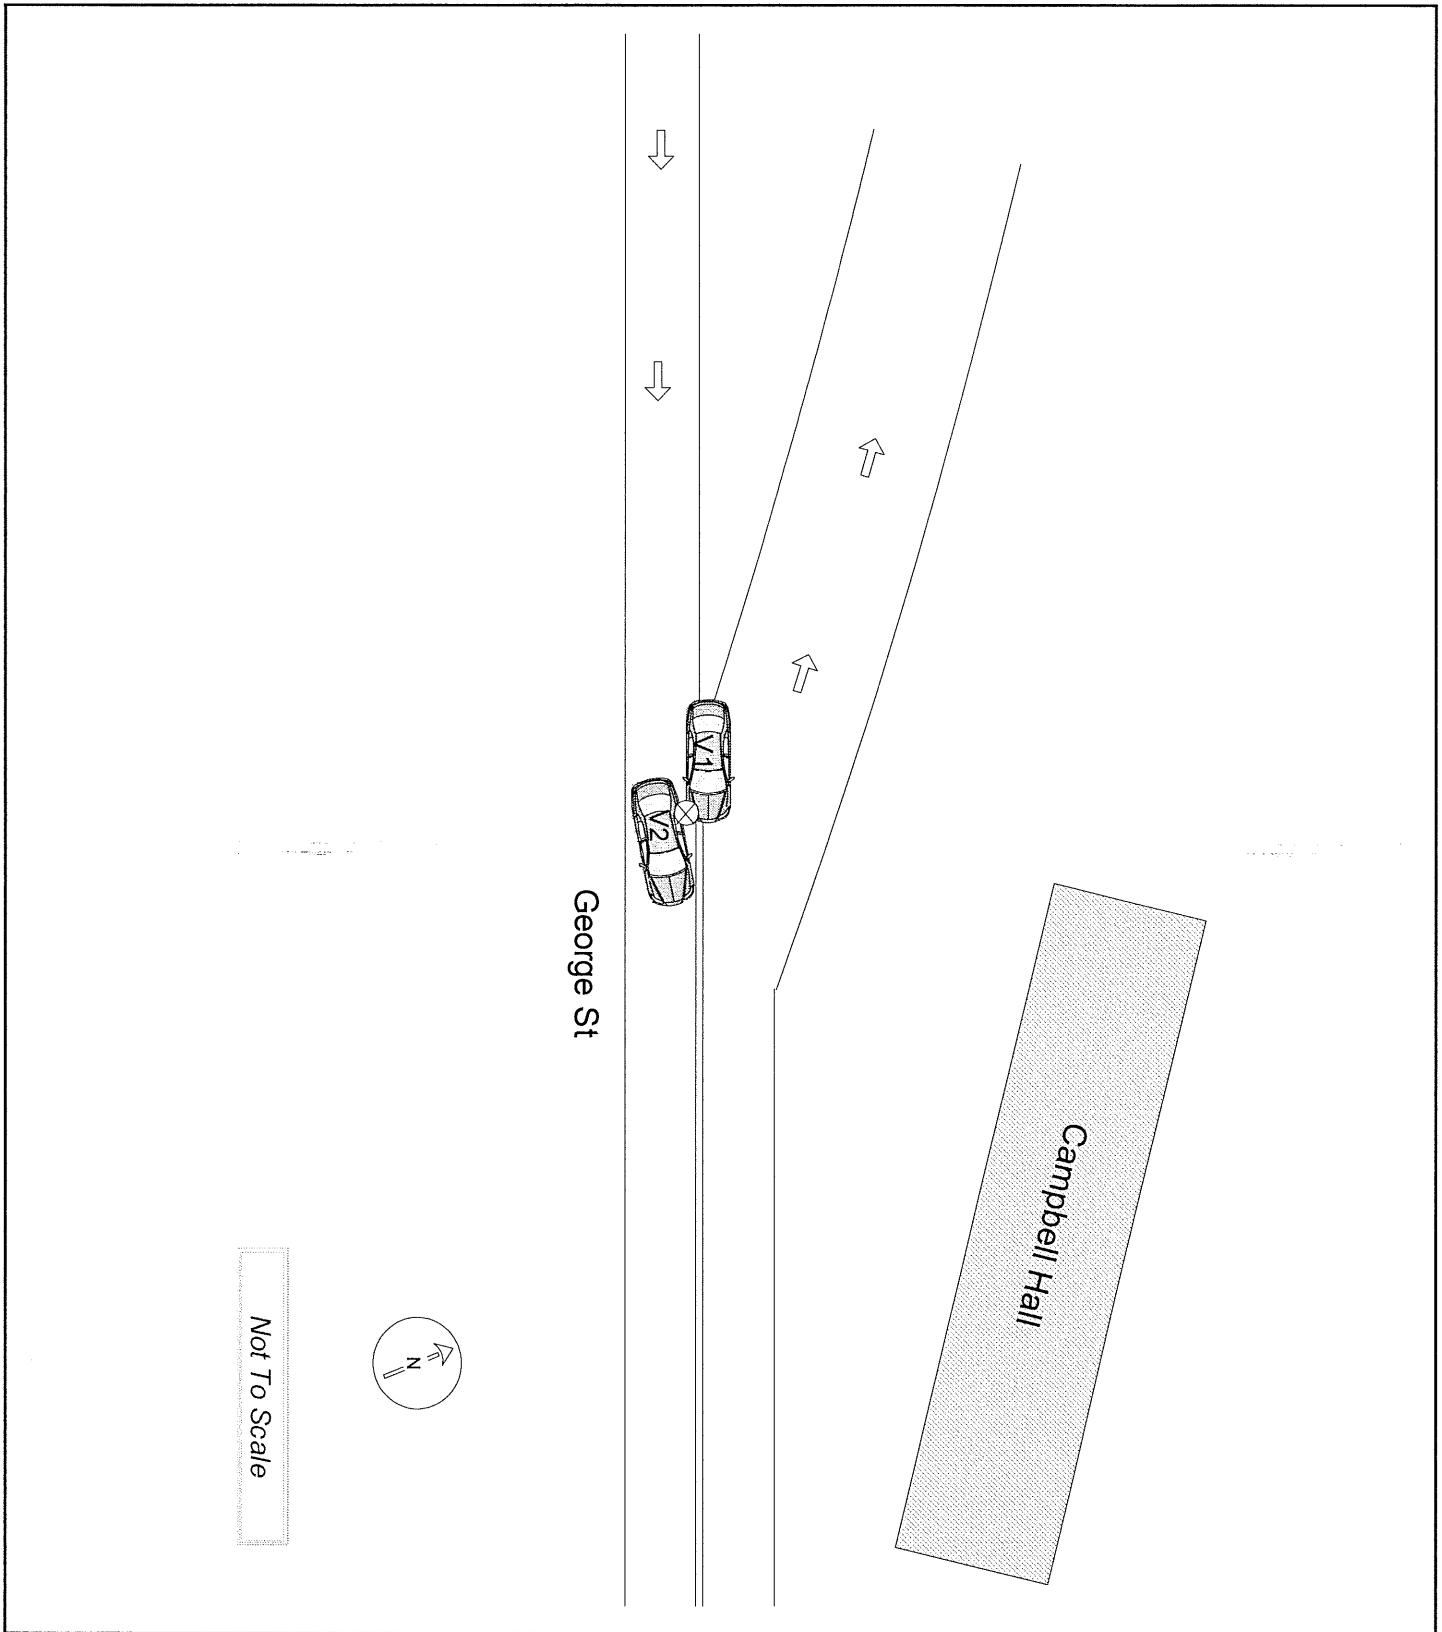

According to D2: D2 stated that while driving straight on George St, D1 attempted to aggressively pass him on the left by driving up onto the curbed median and speeding by. D2 further stated that D1 appeared to not be paying attention and swerved into his vehicle causing the collision.

It should be noted that significant damage was caused to the front passenger side of V1 and the vehicle had to be towed from the scene. It should also be noted that V2 had significant damage to the entire driver side, but was able to be driven from the scene.

135 Crash Description

While on scene at the Church Street Parking Deck (lower level) attending to a separate incident, I witnessed V1 reverse and strike V2, which was parked. As I walked toward the scene of the collision, D1 placed V1 into drive and began to drive away. I managed to get D1's attention by shining my flashlight into his vehicle and by tapping on his passenger side window with my flashlight. D1 stopped his vehicle.

D1 could not provide any explanation for why he struck V2 while backing. After an investigation, D1 was arrested for suspicion of driving while under the influence of drugs and/or alcohol. See investigation report 16-30336 for additional details.

The owner of V2 arrived on scene as I was speaking with D1 and provided me with the registration and insurance documents of V2. D1 was unable to provide any registration or insurance documents for V1.

I observed damage to the driver's door and rear driver's side door of V2. I observed damage to the rear bumper area of V1.

V1 was towed by Guaranteed Motors as a result of the DWI investigation.

Box 118b - Driver Inattention - D1 failed to use proper care when backing, and struck V2.

* - V1 Insurance details - D1 was unable to produce any insurance documents.

D1 was issued the following summonses:

Q 373128 - 39:4-50 DWI

Q 373129 - 39:4-96 Reckless

Q 373130 - 39:3-29 Failure to produce registration

Q 373131 - 39:3-29 Failure to produce insurance

135 Crash Description

While on scene at the Church Street Parking Deck (lower level) attending to a separate incident, I witnessed V1 reverse and strike V2, which was parked. As I walked toward the scene of the collision, D1 placed V1 into drive and began to drive away. I managed to get D1's attention by shining my flashlight into his vehicle and by tapping on his passenger side window with my flashlight. D1 stopped his vehicle.

D1 could not provide any explanation for why he struck V2 while backing. After an investigation, D1 was arrested for suspicion of driving while under the influence of drugs and/or alcohol. See investigation report 16-30336 for additional details.

The owner of V2 arrived on scene as I was speaking with D1 and provided me with the registration and insurance documents of V2. D1 was unable to provide any registration or insurance documents for V1.

I observed damage to the driver's door and rear driver's side door of V2. I observed damage to the rear bumper area of V1.

V1 was towed by Guaranteed Motors as a result of the DWI investigation.

Box 118b - Driver Inattention - D1 failed to use proper care when backing, and struck V2

* - V1 Insurance details - D1 was unable to produce any insurance documents

D1 was issued the following summonses:

Q 373128 - 39:4-50 DWI

109	135 Crash Description Driver 1 backed into Vehicle 2 inside of a parking deck. The impact and damage were not severe but substantial enough to the point where any driver would have been aware that they contacted another car. Driver 1 then attempted to leave the scene but could not get out of the parking deck due to the gait arms being kept in the down position. Driver 1 had moved her vehicle prior to my arrival and I am unsure of the exact fashion in which she struck the parked car, therefore no diagram was completed. Driver 1 was found to be impaired due to alcohol and was placed under arrest accordingly. 135 Crash Description

On the above date and time, Officer D Minond and I (Officer M Ganzer) were dispatched to the Church St Parking Deck (Patterson St side) on a report of a hit and run MVC. NBPD Dispatch broadcast that the driver was attempting to leave the scene and multiple parties had called 9-1-1, some stating that the driver may be drunk.

We arrived at the parking deck and saw several groups of people standing at or near the entrance. I exited and approached the group nearest to me, which happened to be some of the witnesses (Lombardi and Gratts). They indicated that a white Honda Pilot SUV (NJ registration F88ELH, now parked nearby) had backed into a parked vehicle, NJ registration L61FME, and caused damage. They said that the driver then attempted to leave the parking deck by driving away. Staff from the New Brunswick Parking authority were present when the incident occurred and would not raise the parking deck gate arms, thus trapping the hit and run driver in the deck. The witnesses pointed out who the driver was, later identified as Ms. Vanessa Carter. She was standing near her vehicle and a group of people at the beginning of the next level of the parking deck. There were other witnesses, all of whom gave the same account as Lombardi and Gratts.

I then approached the driver of the vehicle. I identified myself and asked who had been driving the Honda Pilot. At that time a male in the group immediately spoke out, and in my opinion interfere with my line of questioning to the driver. I learned that the group of 3 females and one male were all friends and coworkers at a nearby public school. The driver of the vehicle, Ms. Vanessa Carter, then spoke to me and said she was the driver of the Honda SUV. It should be noted that she is also the registered owner of the vehicle. I asked her if she had been driving the car and she said yes. I asked for her credentials and she attempted to hand me a gold colored metal Police courtesy card. She began to state that she knew Police Officers and that she was a teacher etc etc, but I cut her off and told her that none of that was pertinent to the situation. Later in the investigation, Ms. Carter would say that she is a teacher, a mother of 3, that she will have someone pick her up, that she would stay at a hotel, as well as other statements all in an attempt to dissuade or discourage me from conducting a DWI investigation. I informed her that the premises likely had cameras in them, I had a body mic and my patrol vehicle had a camera, and several witnesses had called 9-1-1 reporting the incident and alleging that she was drunk. I told her that whoever she knew and whatever her job was had no bearing as to what had happened and the course of action I must take as a Police Officer in properly executing my duties. It should be noted that Mrs. Carter was not rude or aggressive during this time, but was clearly trying to get out of tickets and or an arrest.

When Mrs. Carter spoke to me I saw that her skin (on her face) was clammy and a bit sweaty. I detected an odor of an alcoholic beverage coming from her breath and person. She oscillated slightly as she stood before me. Her speech was somewhat slow. I asked her what had happened and she said that she had organized an event related to her teaching job and had the event on Hamilton St (either in Franklin or New Brunswick). She said that after the event, she

135 Crash Description

Driver 1 stated that he was stopped in the left lane at the traffic light on Livingston Avenue and New Street in Vehicle 1 (N. J. Reg Y72EZM) next to Vehicle 2 (N. J. Reg ZYT88S), which was in the right lane. Driver 1 further stated that Driver 2 then proceeded to drive straight through the traffic light when the light changed "green", and merge left without signaling, impacting the front-right headlight of his vehicle.

Driver 2 stated that he was stopped in the right lane at the traffic light on Livingston Avenue and New Street in his vehicle, next to Vehicle 1, which was in the left lane. Driver 2 further stated that he proceeded to drive straight through the traffic light when the light changed "green", and signaled to merge left as the two lanes began to merge. At this time, Driver 2 stated that Driver 1 did not allow him to merge, and proceeded to continue driving straight ahead, striking and damaging his left side-view mirror.

Vehicle 1 sustained visible damage to the front-right headlight (cracked). Vehicle 2 sustained visible damage to the left side-view mirror (cracked/broken).

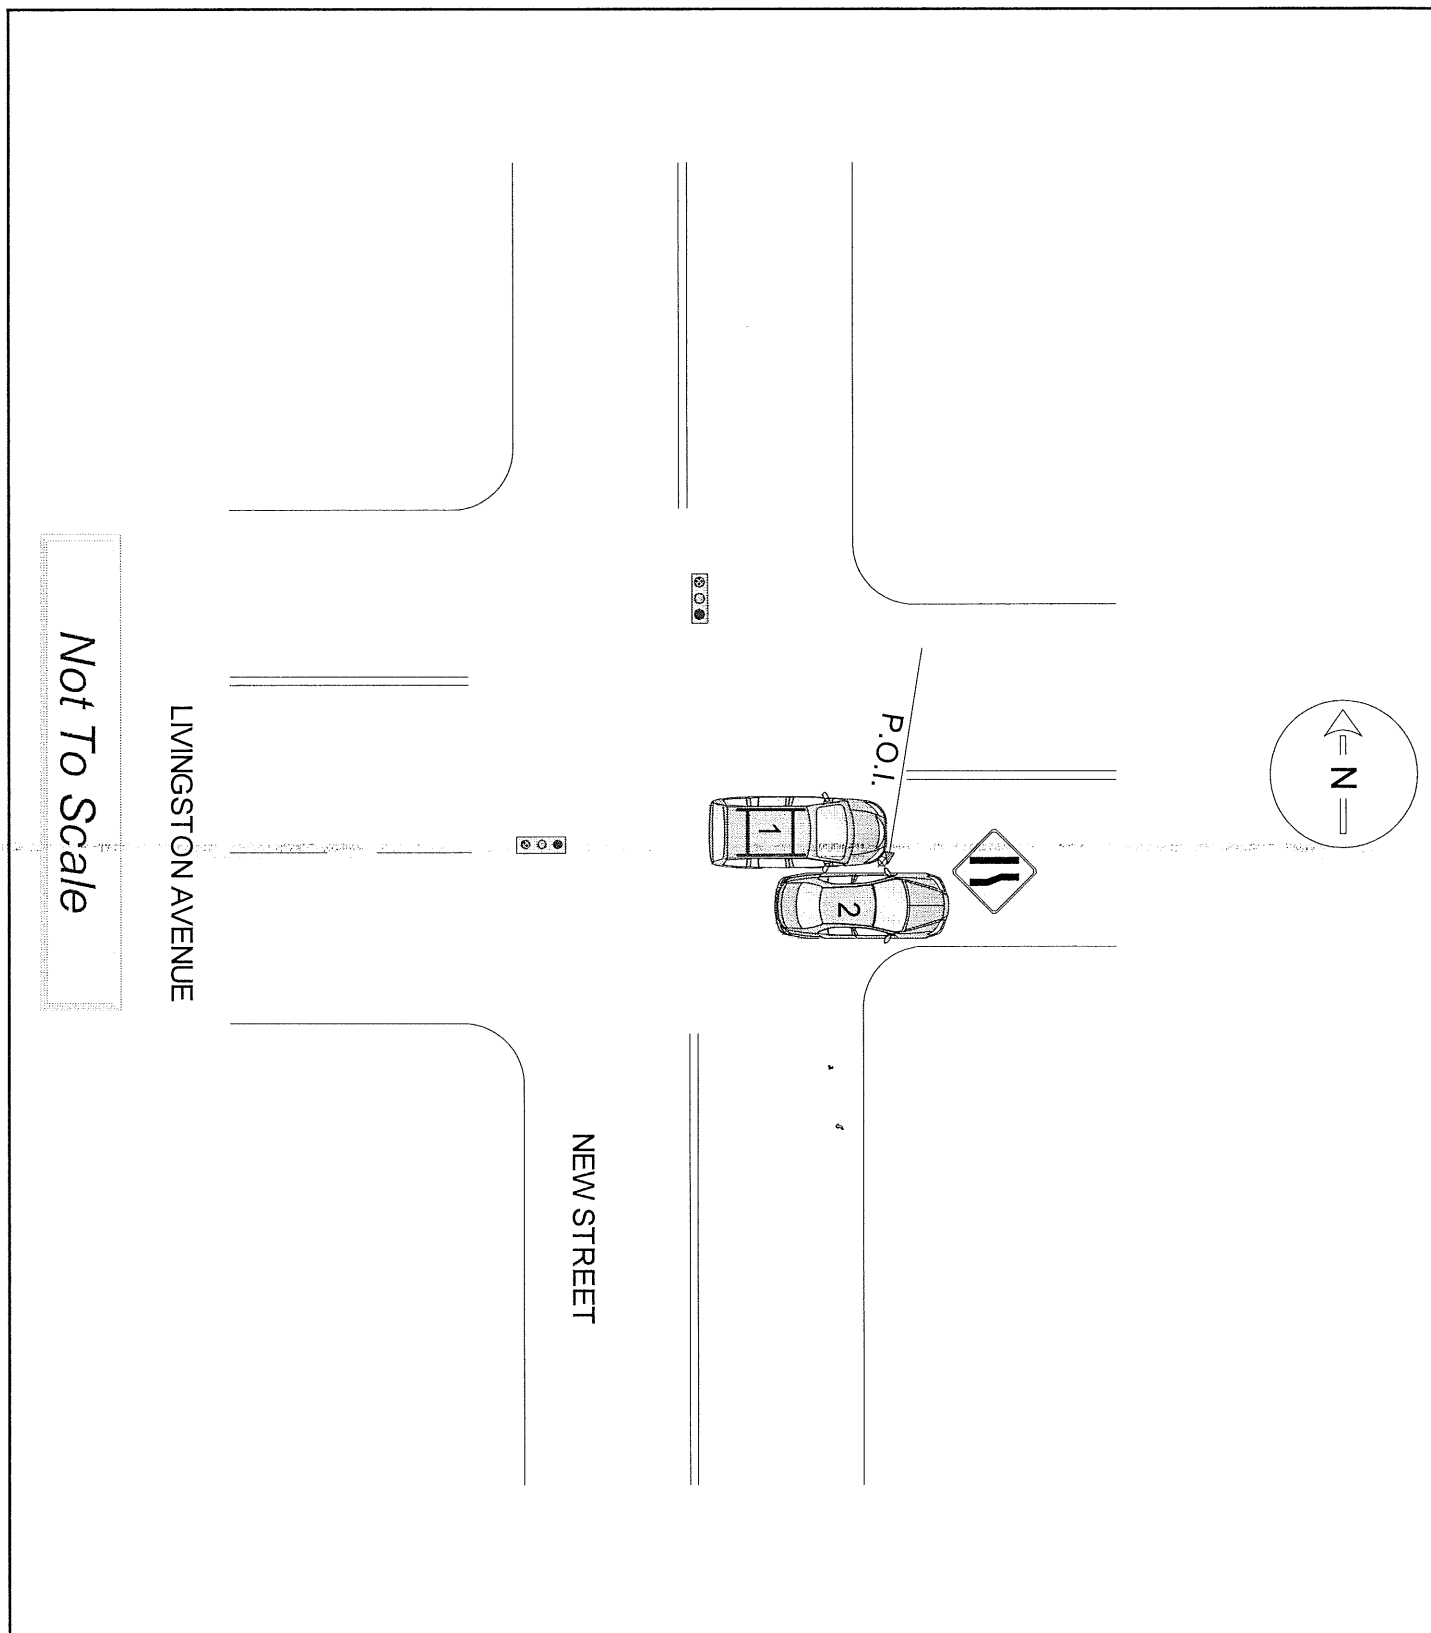

Both drivers and their passengers declined medical attention when asked. Both drivers then drove their respective vehicles from the scene without incident. No further witnesses or available information at this time.
