RE: Application for Special Permit and Site Plan Approvals
for 8 and 10 Husted Lane, New Canaan

Dear Chairman Goodwin:

Please be advised that I am writing this letter as the Managing Member for Main Street Group, LLC, located on the corner of Main Street and Heritage Hill Road. My driveway is directly opposite of the ingress and egress used for 8 and 10 Husted Lane, New Canaan, CT. Last week I met with Attorney Kaufman who is representing the owner of the property and who has filed the application on his behalf. This will confirm that Ms. Hoffman and her client, Mr. Sanseverino, have agreed that, at a minimum, the meeting being opened today will be continued for at least one month so that I may have an opportunity to review their plans, specifications, parking studies, traffic studies, screening plans, and the like. More specifically, they have agreed that I will not need to present any information/objection tonight that I may have, and accordingly reserve such rights until the next regularly meeting.

Thank you for your consideration in this matter.

Sincerely,

Todd H. Lampert
