#### V. Chairwoman Ward informed the committee that she had gotten the email with the survey that was sent to the commissioners. She asked if anyone had any questions. Abby Frye stated that she printed the survey out and put it in the box of the commissioners that don't use email. Kelly Collins asked why the survey didn't come through the education committee before it was sent out. Chairwoman Ward stated that she was under the impression that Dr. McAbee wanted the input from the commission members and she was unaware why it didn't come through the committee first.

Mark Blevins asked why Dr. McAbee hasn't been to any of the Education Committee Meetings? Chairwoman Ward asked Abby Frye if he had been invited to the meetings and she responded that he had. Chairwoman Ward stated that she would reach out to him about the survey and the December meeting.

Sonja Culler asked to go on the record stating that anything to do with education should not go out without first going through the Education Committee. Kelly Collins second that statement, stating her surprise that the survey was sent out without the knowledge of the committee.

#### VI. Adjournment

A motion to adjourn was made by Mark Blevins, second by Gary Bailey. The meeting was adjourned at 6:21 pm.
