

Sec. 6-155. - Safety plan contents.

A safety plan shall be considered complete when it sets forth the following:

- (1) The business name, location, mailing address, and phone number of the establishment, and the name, title, and mailing address of the individual responsible for communicating with the city in connection with the safety plan;
- (2) A statement whether the establishment will employ personnel that exercise security functions, and if so, the number of security personnel and whether all security personnel will be licensed by the State of Georgia and bonded;
- (3) Affirmation that no alcohol consumption of any kind will be permitted in the parking lots under the control of the establishment, along with a copy of any policy that the establishment has to encourage compliance; and
- (4) A copy of the establishment's policies, if any, that address the following:
 - a. Patron weapon search procedures;
 - b. Control of ingress and egress into the building;
 - c. Control of parking lots, including behavior and litter in parking lots and any valet parking services;
 - d. Complying with noise standards in the Unified Development Ordinance and responding to noise complaints;
 - e. Procedures for handling violent incidents and emergencies;
 - f. Crowd control, interior and exterior lighting, and preventing over capacity; and
 - g. Locations of security cameras and recording equipment, retention and custody of recordings generated from security cameras, and affording law enforcement officers access to such recordings.
