**—FOR IMMEDIATE RELEASE—
CITY OF CHAMBLEE COURT STAFFER TESTS POSITIVE FOR COVID-19**

July 12, 2020—The City of Chamblee today was informed that a member of its municipal court staff tested positive for COVID-19. The court staff member was present during the July 6 traffic court session but was not exhibiting any symptoms at that time. They were not in close proximity with any attendees and followed social distancing guidelines.

This court staff member was not present at the July 9 traffic court session.

Per the Statewide Judicial Emergency Order, the city released municipal court operating guidelines May 13 and later updated them on July 1 that require all attendees to wear masks, maintain 6-foot distance at all times and scan all attendees' temperatures upon entry. Only 25 attendees were permitted in the building at once to reduce congestion and adhere to social distancing requirements. All attendees were assigned a number card upon entry and had to return the number upon exit. This ensured the maximum number of attendees were allowed in the building at one time.

Judges, solicitors and court staff were separated from the public and distanced from each other with Plexiglas partitions at the judges' benches and solicitor and public defenders' work space areas. Court staff who were in close proximity with the individual who tested positive are self-quarantining for 14 days.

City staff is working to notify all parties who attended either the 10 a.m. or 2 p.m. court sessions on Monday, July 6 of the incident.

All court sessions through August are cancelled. If you have a court date during this time, please visit <https://www.chambleega.com/173/Municipal-Court> for up to date information about rescheduling your court date.

###

Located just 14 miles from downtown Atlanta, Chamblee is a vibrant urban city with a diverse community and international flair. The City of Chamblee began as a small rail town and was incorporated in 1908. It has grown to more than seven square miles and nearly 30,000 residents. Chamblee is home to a heavy rail MARTA station, a historic downtown and Antique Row, the vibrant Buford Highway Corridor, DeKalb-Peachtree Airport (PDK), the Centers for Disease Control and a thriving business community with a unique sense of entrepreneurship and optimism.
