—FOR IMMEDIATE RELEASE—  
CHAMBLEE ADDS DEVELOPMENT PORTAL TO WEBSITE

October 24, 2018—The City of Chamblee recently added the Development Activity application to its Geographical Information Systems portal section of its website. It can be found at: <https://tinyurl.com/y9qu8vzy>.

The Chamblee Development Activity app gives users a way to view current and upcoming land development within the City of Chamblee. Users can navigate the map, as well as search by address or project name, to find details about developments. The app also has a filter tool, which lets users view projects by Type and Status. The Chamblee Development Activity app works on desktop and mobile browsers.

Future enhancements to the app will add photos, renderings and other content for the development projects. Other City of Chamblee GIS apps on the city's Open Data portal include: community safety, elections information, recreation information, transportation and infrastructure and boundaries.

The Open Data GIS portal can be found at: <https://data-chamblee.opendata.arcgis.com/> . For more information on the City of Chamblee, visit [www.chambleega.gov](http://www.chambleega.gov) or call 770-986-5010.

###

Located just 14 miles from downtown Atlanta, Chamblee is a vibrant urban city with a diverse community and international flair. The City of Chamblee began as a small rail town and was incorporated in 1908. It has grown to more than seven square miles and nearly 30,000 residents. Chamblee is home to a heavy rail MARTA station, a historic downtown and Antique Row, the vibrant Buford Highway Corridor, DeKalb-Peachtree Airport (PDK), the Centers for Disease Control and a thriving business community with a unique sense of entrepreneurship and optimism.
