—FOR IMMEDIATE RELEASE—  
CITY OF CHAMBLEE LAUNCHES NEW WEBSITE

June 12, 2017—The City of Chamblee launched a newly redesigned website in an effort to enhance the user experience for its residents, businesses and visitors, while also giving our constituents the tools they've asked for more easily and quickly, like paying parking violations and looking for jobs. The site includes a new layout and design as well as several features aimed at making it easier for users to access government services and information.

A new feature of the enhanced website is an interactive maps that features capital projects. This allows residents to see paving, sidewalk and streetscape projects on a map, along with their respective project information.

Not new to this design but also included with this version of the website is Notify Me, which allows residents to subscribe to emails for urgent alerts, news and announcements or when meeting agendas or minutes are posted. We urge everyone to sign up for the topics that interest them.

Updates to the website will continue as the City looks to incorporate more solutions to serve its residents and businesses. Please feel free to send us your comments about the redesigned website by emailing us at [info@chambleega.gov](mailto:info@chambleega.gov) and put 'Comments about the website / report a broken link' in the subject.

The website was redesigned by CivicPlus, and features enhanced functionality as well as a cleaner, easier layout to navigate. Another important change with the new site is its responsive design, which means the site will automatically reshape itself to maximize its presentation for any screen, including tablets and smart phones.

###

Located just 14 miles from downtown Atlanta, Chamblee is a vibrant urban city with a diverse community and international flair. The City of Chamblee began as a small rail town and was incorporated in 1908. It has grown to more than seven square miles and nearly 30,000 residents. Chamblee is home to a heavy rail MARTA station, a historic downtown and Antique Row, the vibrant Buford Highway corridor, DeKalb-Peachtree Airport (PDK), the Centers for Disease Control and a thriving business community with a unique sense of entrepreneurship and optimism.
