Transition Consultant Services

Are you a family member of a person with an intellectual or developmental disability who will be leaving school within the next few years?

We can help with post-high school options.

Our Transition Consultants can:

- ▶ **Assist** you with transition planning to adult services for employment, college and training, independent living, and community opportunities
- ▶ **Connect** you with government benefits and community agencies and organizations
- ▶ **Support** you at school meetings
- ▶ **Help** you learn about state and local funding for services, and about protections and special needs finances

For more information, please contact:
