Champaign Park District Trails Master Plan Draft Recommendations – Public Voting January 25, 2016

BACKGROUND:

On Thursday, January 21, 2016, Champaign residents and trail users were invited to a public workshop to vote on recommendations for the Champaign Park District Trails Master Plan.

Champaign residents and trail users who were not able to attend that meeting are invited to vote on these draft plan recommendations between Monday, January 25, 2016 and Monday, February 1, 2016.

Two **existing conditions maps** are provided for your reference:

- 1. Existing Trails Map
- 2. Existing Park Classification Map

RECOMMENDATIONS:

Please submit your **top 3 votes** for the trails or connecting bikeways you'd most like to see implemented in Champaign.

Please note: voting maps for linear recommendations are broken into **quadrants** (i.e. Northeast Champaign, Northwest Champaign, Southeast Champaign, Southwest Champaign), divided by Mattis Avenue and Springfield Avenue.

Please also submit your **top 3 votes** for the non-infrastructure trail recommendations you'd most like to see implemented in Champaign.

A comment card is also provided for your convenience.

Order of Recommendations materials:

- 1. All Linear Recommendations
 - a. Northeast Champaign Linear Recommendations
 - b. Northwest Champaign Linear Recommendations
 - c. Southeast Champaign Linear Recommendations
 - d. Southwest Champaign Linear Recommendations
- 2. Point Recommendations
- 3. Non-Infrastructure
 - a. Education
 - b. Encouragement
 - c. Enforcement
 - d. Evaluation
 - e. Maintenance

SUBMIT COMMENTS TO:

Gabe Lewis, CCRPC Transportation Planner 1776 E. Washington St. Urbana, IL 61082

Email: glewis@ccrpc.org

Deadline to submit comments: Monday, February 1, 2016

Champaign Park District Trails Master Plan

Point Recommendations Map

1-25-16

0.125

Recommended point trail improvements in Champaign 1/25/16

ID	Location	Recommendation	Vote
1	Springfield at Greenbelt	Flashing lights	
2	Roby Trail over creek	Improve Roby Trail bridge	
3	Simon Trail at Mattis	Install trail crossing signs & flashing lights	
4	Simon Trail at Broadmoor	Install trail crossing signs	
6	Roby Trail at Crescent	Install trail crossing signs	
7	Kaufman Park	Replace boathouse with enhanced shelter	

NON-INFRASTRUCTURE RECOMMENDATIONS - EDUCATION

EDUCATION RECOMMENDATIONS	PLACE STICKERS HERE
Adult Bicycle Education:	
Offer bicycle education opportunities for adults to educate them about rules of the road, how to properly handle a bicycle in traffic, and how to respectfully share the road with other users.	
Availability of Materials in Other Languages:	
Make bicycle education, encouragement, and enforcement materials available on municipal agency websites in at least 1 language besides English.	
Bicycle Ambassador Program:	
Partner with the University of Illinois to organize a bicycle ambassador program to educate residents at public events.	
Bicycle Rodeos:	
Increase volunteer base in order to institutionalize bicycle rodeos at public events and schools for children to learn and improve bicycling skills. Install a permanent bicycle rodeo station in a parking lot.	
Driver's Education Curriculum:	
Work with local schools and driving schools to incorporate bicycle education into driver's education curriculum, using tools such as the Illinois Bike Safety Quiz.	
K-12 Bicycle Education Curriculum:	
Work with local schools to incorporate bicycle education into existing curriculum at the Champaign School District and private schools, such as physical education and health.	
Law Enforcement Officer Training:	
Support law enforcement officer attendance of professional development opportunities regarding the enforcement of bicycle and pedestrian laws, especially as they change.	
Map Updates and Distribution:	
Continue updating and distributing maps with existing bicycle and trail facilities as the network continues to grow, including but not limited to: Champaign County Greenways and Trails Map, and the Champaign-Urbana Bike Guide & Map. Work with existing online map sources (e.g. Google) to ensure the accuracy of existing trails.	
Professional Development:	
Support Champaign Park District staff attendance at professional development opportunities, such as the Illinois Bike Summit and other conferences, to provide learning, networking, and planning opportunities regarding bicycles and pedestrians.	
Public Participation:	
Continue to provide at least one opportunity per new bikeway or trail project for citizens to express concerns over bicycling or trail issues and public reaction to new treatments.	
Road User Safety Campaigns:	
Continue to convey the message to encourage bicyclists and motorists to obey traffic laws and show respect to other road users.	

NON-INFRASTRUCTURE RECOMMENDATIONS - ENCOURAGEMENT

ENCOURAGEMENT RECOMMENDATIONS	PLACE STICKERS HERE
Bicycle Friendliness Promotion:	
Promote Champaign as a bicycle friendly community, and local bicycle friendly businesses to demonstrate community support for and usage of active transportation. Encourage the City of Champaign to improve its Bicycle Friendly Community designation from Bronze to Silver or Gold.	
Champaign-Urbana Bike Month:	
Continue to celebrate Champaign-Urbana Bike Month in May by hosting Bike Month, Bike to Work Day, Bike to School Day, Bikes on Campus Day, and other planned activities.	
National Trails Day:	
Work with neighborhood groups and school communities to celebrate National Trails Day in various areas of Champaign on the first Saturday in June, including a fun run and/or bike ride along trails between parks.	
Open Streets initiative (car-free streets):	
Temporarily close streets to motorized traffic and incorporate trails so that people may use them for healthy and fun physical activities like walking, bicycling, dancing, jogging, playing and socializing. Pursue use of existing CPD events (e.g. Downtown Streetfests) to hold open streets events.	
Public-Private Partnerships:	
Engage local businesses in trail maintenance (e.g. adopt-a-trail, adopt-a-mile, trail cleanup days) and/or trail encouragement events (e.g. fun runs, bike rides, trail dedications), especially businesses adjacent to trails (e.g. Jimmy John's, Amdocs, Intel, Fox Development).	
Support for Advocacy Organizations:	
Support existing advocacy organizations to increase their capacity to carry out bike and trail encouragement activities. This includes volunteer and financial support from local organizations for the C-U Safe Routes to School (SRTS) Project, as this program will struggle to survive without SRTS grant funding.	
Trail & Bike Route Signage:	
Install standardized trail signage along off-road bikeways and trails, and standardized bike route signage on on-road bikeways only, using locally and nationally accepted design standards including the Champaign County Greenways & Trails Design Guidelines. All signs should include destination, distance and/or time, and direction information to better inform users.	
Trail Dedication Events & Rides:	
Hold events to celebrate new and/or rehabilitated trails, such as ribbon-cutting ceremonies and bike rides, especially to showcase destinations along the route.	

NON-INFRASTRUCTURE RECOMMENDATIONS - ENFORCEMENT

ENFORCEMENT RECOMMENDATIONS	PLACE STICKERS HERE
Bicycle Diversion Program: Continue education and enforcement campaign to allow bicyclists to waive a first-time fine using Ride Illinois' Bike Safety Quiz.	
Enforce Bicyclist Violations: Continue issuing warning citations and/or ticket bicyclists for traffic offenses, such as riding against traffic, disregarding traffic signals (unless the cyclist has legally waited 2 minutes for a light to change) and stop signs, and riding without lights at night. Continue to develop methods to educate bicyclists on safe and legal bicycling before ticketing bicyclists (e.g. Bicycle Diversion Program).	
Enforce Motorist Violations: Continue issuing warning citations and/or ticket motorists for traffic offenses against bicyclists, such as failing to stop for bicyclists at intersections. Develop methods to educate motorists on using the road safely with people using other travel modes.	
Light the Night: Continue annual installation of free bike lights in the fall on the University of Illinois campus coupled with an education component, to keep bicyclists compliant with bike light and riding laws.	
Off-Campus Light the Night Event: Pursue opportunities such as the National Night Out celebration to install free bike lights in the fall in other areas of Champaign, especially low-income neighborhoods, coupled with an education component, to keep bicyclists compliant with bike light and riding laws.	
Trail Safety & Security: Create partnership between the Champaign Park District and the Champaign Police Department to promote safety and security of existing and proposed trail facilities.	

NON-INFRASTRUCTURE RECOMMENDATIONS - EVALUATION

EVALUATION RECOMMENDATIONS	PLACE STICKERS HERE
Annual Performance Measure Assessment:	
Identify a lead Champaign Park District staff member(s) to assess the progress of this plan's goals and objectives using this plan's performance measures, as projects occur and/or each year after January 1st. Submit a report to the Champaign Park District Board of Commissioners, post it to the Champaign Park District website, and incorporate information into the press release about completed and current trail construction projects.	
Economic Impact of Trails:	
Take advantage of opportunities to measure the economic impact of trail and bicycle facilities and events on Champaign's economy.	
Pedestrian & Bicyclist Crash Studies:	
Continue to analyze pedestrian and bicyclist crash data as part of the CUUATS Selected Crash Intersection Locations (SCIL) Report.	
Trail Counts:	
Conduct counts before and after trails and bikeways are installed.	
T // O/ // /	
Trails Plan Updates:	
Update the Champaign Park District Trails Master Plan (UTMP) every 5 years, completing the next plan update by 2020, and making plan amendments between plan updates if necessary.	

NON-INFRASTRUCTURE RECOMMENDATIONS - MAINTENANCE

EDUCATION RECOMMENDATIONS	PLACE STICKERS HERE
Address Weather-Related Obstacles: Through good design practices, minimize weather related obstacles such as ice and mud.	
Facility Accessibility & Safety: Prioritize improvements including accessibility to all facilities, facility safety, and improvements to field conditions.	
Greenway Protection: Protect green corridors providing and connecting open space.	
Maintenance Planning: Implement maintenance plans on trails and bikeways promoting safety, increasing efficiency, and minimizing lifetime costs.	
Preventive Maintenance: Define ongoing preventive maintenance needs based on current facility conditions and build sustainable budgets based on this information.	
Reporting Trail Condition Issues: Increase public awareness of how to report trail condition issues to the Champaign Park District.	
Trail Amenities: Regularly evaluate existing amenities along trails such as drinking fountains, restrooms/changing rooms, trail maps, seating and interpretive signage.	
Trail Inspections: Schedule trail inspection on a regularly basis. Frequency will depend on the amount of trail usage, location, age and availability of staff.	
Trail Maintenance: Prioritize consistent upkeep and maintenance of trails.	
Volunteer Programs: Create and organize volunteer programs to provide additional trail maintenance support.	

Champaign Park District Trails Master Plan Public Workshop #2 Comment Card

Your input on the Champaign Park District Trails Master Plan is vital in prioritizing new and improved trails and parks in Champaign. Please let us know your thoughts about any aspect of this project, and submit the form in the box provided or send it to CCRPC offices no later than Friday, January 29, 2016.

Champaign?
2. Do you have any other non-infrastructure strategies that you did not see presented?
3. If you could make one recommendation to the Champaign Park District to improve the experience of using trails in Champaign, what would you recommend?
4. Are there any other issues, concerns or suggestions you would like to bring to ou attention about this project?
5. How did you hear about this meeting? Check all that apply. Flyer News-Gazette Word of Mouth CGTV Website Facebook
