Memorandum

To: CUUATS Policy Committee Members
From: CUUATS Staff
Date: June 12, 2019
Re: Transportation Improvement Program FY 2020-2023
Requested Action: Approve Transportation Improvement Program FY 2020-2023

Background: Every year, CUUATS staff updates the Transportation Improvement Program (TIP) that outlines transportation projects to be completed in the metropolitan planning area in upcoming fiscal years. TIP projects in the first fiscal year (2020) have verified funding sources, while projects in the subsequent three fiscal years (2021-2023) have reasonably guaranteed funding sources. The TIP FY 2020-2023 currently includes the most recent project cost estimates with the exception of projects lead by the State. The State program has not yet been released for fiscal years 2020-2023 and will be added to the database as soon as they are released.

The TIP FY 2020-2023 is hosted on the RPC website at the following location:

<https://ccrpc.org/documents/tip-2020-2023/>. The main TIP webpage includes links to all TIP-related content. On the left side of the page are links to the background information about the TIP including Technical and Policy Committee information, STPU/STBGP tables, and illustrative projects, and more.

Since the draft TIP FY 2020-2023 was approved by the CUUATS Technical and Policy Committees on May 1, it was released for a 30-day public review period from Saturday May 4 through Sunday June 2. The public comment period was advertised in the News Gazette and on the RPC website. During the public comment period the draft TIP was available online and hardcopies were available at the RPC office, Champaign and Urbana public libraries, Illinois Terminal, Savoy Municipal Center, and Mahomet Administration Building. The following comments were received from the public:

- Phone call from Tolono resident:
 - Caller is unhappy with the way CCARTS operates and does their scheduling, communicated that the trips were scheduled better for them when CRIS was operating in Tolono.
 - Caller recommended a hardcopy of the TIP document be available at the Tolono public library.
