

## Sustainability Commitment Statement

“The Champaign County Regional Planning Commission will evaluate the economic, environmental, and social consequences of decisions ensuring integrity of choices for programs and operations, so that we provide for current needs while providing the ability of future generations to meet their needs.”

F.DiNovo

The Champaign County Regional Planning Commission takes responsibility for the economic, social and environmental impacts and integrity of its programs and operations. We are committed to an enduring program to continuously enhance and extend the sustainability of our policies and operations to ensure, that while we pursue our mission to meet current needs, we do not compromise the ability of future generations to meet theirs.

T.Reed

The Champaign County Regional Planning Commission takes responsibility for the economic, social and environmental impact and integrity of its programs and operations. We are committed to a continuing program to (deleted text) enhance and extend the sustainability of our policies and operations to ensure, that while we pursue our mission to meet current needs, we do not compromise the ability of future generations to meet theirs.
