Resolution 24-33

A RESOLUTION

ADOPTING AN INFRASTRUCTURE CAPITAL IMPROVEMENTS PLAN (ICIP)

Whereas, the County of Cibola recognizes that the financing of public capital projects has become a major concern in New Mexico and nationally; and

Whereas, in times of scarce resources, it is necessary to find new financing mechanisms and maximize the use of existing resources; and

Whereas, systematic capital improvements planning is an effective tool for communities to define their development needs, establish priorities and pursue concrete actions and strategies to achieve necessary project development; and

Whereas, this process contributes to local and regional efforts in project identification and selection in short and long-range capital planning efforts

NOW THEREFORE BE IT RESOLVED by the Board of County Commissioners of Cibola County, New Mexico that:

1. Cibola County has adopted the attached FY 2026-2030 Infrastructure Capital Improvements Plan, and
2. It is intended that the Plan be a working document and is the first of many steps toward improving rational, long-range capital planning and budgeting for New Mexico's infrastructure.
3. This Resolution supersedes Resolution 23-32.

THE BOARD OF COUNTY COMMISSIONERS:

Dr. Christina Lowery, Chairman

Ralph Lucero, 1st Vice-Chair

Daniel Torrez, 2nd Vice-Chair
