Regular Commission Meeting

Cibola County Commission Regular Meeting Thursday July 25th, 2019

The Cibola County Commission held a Regular Meeting on Thursday July 25^{th,} 2019 at 5:00 pm in the Cibola County Commission Center

Elected Officials Present Staff

Daniel Torrez, Chairman Robert Windhorst, 1st Vice Chairman Ralph Lucero, 2nd Vice Chairman Martha Garcia, Commissioner Christine Lowery, Commissioner Kate Fletcher, County Manager Michelle Dominguez, County Clerk Denise Salcido, Filing/Recording

A. CALL TO ORDER

Chairman Torrez, called the meeting to Order at 5:00 pm.

B. ROLL CALL

Chairman Torrez does roll call-5-1 Commissioners in attendance. Commissioner Garcia arrived at 5:18 p.m.

C. <u>Pledge of Allegiance</u> Recited by all.

D. <u>Prayer</u> Commissioner Windhorst led us in prayer.

E. Approval of Agenda

Motion to approve the agenda made by Commissioner Windhorst, second by Commissioner Lowery 4-0 affirmative.

F. Commissioner's Report

Commissioner Lowery- District one in the Village of Cebolletta there is a huge problem with their water. They have an old well and a new well. The new well was not pumping. They were calling out for emergency and they did take care of it. The land Grants are governed by a State Water Board. They really need to work on doing something to get the water going in their community, this happens every year. In Laguna the Tribal Council voted to keep their six precincts. August 26th they were invited to the County Clerk's office to talk about what we can negotiate for the interpreters.

Commissioner Lucero- Still going with Gary on Wednesday to see what roads we are going to add. We have some roads we want to add and some roads we want to get rid of.

Commissioner Windhorst- A couple Saturdays ago Commissioner Lowery and myself had a cleanup in Seboyeta. We had a good turnout, we filled both dumpsters. We have a cleanup a week from this Saturday in Bluewater acres, and the week after that will be the subdivision of Mt Taylor.

Commissioner Torrez- Roads are a bit thing right now, trying to see what's obsolete and what's not.

G. Public Comment

Sarah Austin- Wanted to tell about some changes they have made. They have changed their transit name from the Carrot Express to Rockin 66 Express, to incorporate all three entities. Route 66 goes down all three entities so they wanted it to be a universal name. The other change they have going is, they are trying work with Zuni transit so they can get services to the South side of the County.

H. Minutes

a. Minutes from June 27th, 2019 Regular Commission Meeting

Motion to approve Minutes from June 27th, 2019 Regular Commission Meeting 2019 made by Commissioner Windhorst, Second by Commissioner Lucero 4-0 affirmative

I. <u>Reports</u>

- a. Finance Report-Kate Fletcher County Manager- Has been talking very closely with Paul, we have three action items that really need to be approved. One is the budget for next year, we had a workshop on it as well. The others are the fourth quarter report for 18-19 and the budget adjustment. We are currently working on the documents to get the road graders for the road department. Still working on the process for the equipment for the Maintenance Department also. Kate and Adren went to Santa Fe to request the approval for the lease agreement for Magistrate Court. Gary Porter has been working on our roads with Anna, Kate and the Commissioners. Right now we are cleaning up what we have, we have roads that are not on the maintenance list that should be. There are roads that do qualify for maintenance that need to come off. Hoping to come to the Commission by September to request the action to either add or vacate roads for maintenance. We have mailed off letters for additions, have not mailed the vacate letters yet we need to make sure the letter is correct.
- b. Treasurer's Report- Kathy Gonzales Treasurer wanting to give an update on distribution. Have collected a lot of property taxes. Distribution June 2019- state distribution was \$9500.22, the County portion was \$71,801.38, the school's portion was \$75,828.14. The college wad \$15,387.27, Village of Milan got \$3084.52, Quemado school district got \$3425.64, Cibola General Hospital got \$29,431.85. Rio San Jose

Flood District got \$1202.54, Lava Soil and water got \$1738.73. The total County portion was \$98,426.44. Total distribution was \$257,191.19. Our Collection as far as property taxes as of June 30th we've collected approximately 92%. We also sent out our delinquent letters June 12th. So we're getting a big response with that. On August 7th we are having our auction. Working with three companies to mail out the tax bills in October.

c. Clerk's Report- Michelle Dominguez Clerk- Per the bill 407 the Commission Districts have changed. The areas have stayed the same. Commissioner Lowery went from District 1 to District 2, and Commissioner Torrez went from District 2 to District 1. Commissioner Lucero went from District 3 to District 4, and Commissioner Windhorst from District 4 to District 3. Commissioner Garcia's district stayed the same. Because of the Supreme Court challenge, we were put on hold to send out any Voter Cards until after the ruling. If it does go through and the Districts change, we must send out new cards to over 9000 people. The change was in effect immediately, but everything got put on hold due to the Supreme Court Challenge. The change on precincts to VCC's in Ramah has already been approved. We will be sending out new cards to everyone this effects before the 2020 election.

Consideration of Floodplain Development Permit 2019-04

Cibola County Floodplain Development Permit Application

Date 7/30/19

SECTION I: GENERAL PROVISIONS (APPLICANT to read and sign)

- 1. No work of any kind may start until a permit is issued.
- 2. The permit may be revoked if any false statements are made herein.
- 3. If revoked, all work must cease until permit is re-issued.
- 4. Development shall not be used or occupied until a Certificate of Compliance is issued.
- 5. The permit will expire if no work is commenced within six months of issuance.

6. Applicant is hereby informed that additional permits may be required to fulfill local, state, and federal regulatory requirements.

7. Applicant hereby gives consent to the Local Administrator or his/her representative to make reasonable inspections required to verify compliance.

8. All work must be completed within 180 days of permit approval.

CERTIFICATION TO THE ADMINISTRATOR:

As the applicant I certify that I am either the owner or authorized agent of the owner and that all statements herein and in attachments to this application are, to the best of my knowledge, true and accurate. The work to be performed, including flood protection works, is as described below and in attachments hereto. The undersigned agrees that all such work shall be done in accordance with the requirements of the Cibola County Flood Damage Prevention Ordinance 10-02, and with all other applicable Federal ordinances and the laws and regulations of the State of New Mexico.

WARNING: PLEASE READ AND ACKNOWLEDGE.

The Flood Insurance Rate Maps (FIRM) and other flood data used by the Cibola County Floodplain Manager in evaluating flood hazards to proposed developments are considered reasonable and accurate for regulatory purposes and are based on the best available scientific and engineering data. On rare occasions greater floods can and will occur, and flood heights may be increased by man-made or natural causes. Issuance of an exemption certificate does not imply that developments outside the identified areas of special flood hazard will be free from flooding or flood damage. Issuance of an exemption certificate shall not create liability on the part of Cibola County, the Cibola County Floodplain Manager or any officer or employee of Cibola County in the event flooding or flood damage does occur. The undersigned hereby makes application for a Floodplain Use Permit.

a . 2 THIS PERMIT IS ISSUED WITH THE CONDITION THAT THE LOWEST FLOOD (INCLUDING BASEMENT) OF ANY NEW OR SUBSTANTIALLY IMPROVED BUILDING WILL BE ELEVATED TO AT LEAST THE 100-YEAR (BASE) FLOOD ELEVATION (IF AVAILABLE) OR AT LEAST TWO FEET ABOVE THE HIGHEST ADJACENT GRADE (IN AO ZONES), AND THAT IF THE DEVELOPMENT IS PROPOSED IN A DELINEATED FLOODWAY, THE DEVELOPMENT WILL CAUSE NO INCREASE IN THE 100-YEAR (BASE) FLOOD ELEVATION.

OR

THIS PERMIT IS ISSUED WITH THE CONDITION THAT ANY NEW OR SUBSTANTIALLY IMPROVED BUILDING (INCLUDING ANY MANUFACTURED HOUSE) COVERED BY THIS PERMIT WILL BE BUILT ON COMPACTED FILL THAT IS AT LEAST AS HIGH AS THE 100-YEAR (BASE) FLOOD ELEVATION, AND THAT SUCH FILL WILL EXTEND AT LEAST TEN FEET FROM ALL WALLS OF THE BUILDING BEFORE IT DROPS BELOW THE 100-YEAR (BASE) FLOOD ELEVATION.

THIS PERMIT IS ISSUED WITH THE CONDITION THAT THE DEVELOPER/OWNER OF ANY NEW OR SUBSTANTIALLY IMPROVED BUILDING (INCLUDING ANY MANUFACTURED HOUSE) WILL PROVIDE A COMPLETED FEMA ELEVATION CERTIFICATE BY A REGISTERED ENGINEER OR LAND SURVEYOR BASED ON "ACTUAL CONSTRUCTION" PRIOR TO ISSUANCE OF AN OCCUPANCY PERMIT.

Application, Plans and Specifications Received this <u>30</u> Day of (Signature of Agent/Owner) (Signature of Floodplain Administrator)

SECTION 3: ADDITIONAL INFORMATION (To be completed by APPLICANT)

If the proposed development is located in a Special Flood Hazard Area the applicant must submit the documents as noted below, before the application can be processed:

Development plans, drawn to scale, and specifications, including where applicable: details for anchoring structures, proposed elevation of lowest floor (including basement), types of water-resistant materials used below the first floor, details of floodproofing of utilities located below the first floor, and details of enclosures below the first floor. (Required for structural development activities.)

Completed Floodplain Building application (Required for building permit requests involving structures.)

□ A copy of all data and hydraulic/hydrologic calculations used to determine the base flood elevation and floodway limits.

A copy of all data and hydraulic/hydrologic calculations used to determine the floodway limits. (Required for proposed development in the floodplain where base flood elevations are established but no floodway or non-encroachment areas are determined.)

□ Plans showing the extent of watercourse relocation and/or landform alterations. (As applicable) □ Change in water elevation (in feet) Meets ordinance limits on elevation increases: □ YES □ NO (Required for proposed encroachments to a floodway or non-encroachment area.)

Top of new compacted fill elevation_____ft.(NAVD1988). (Required for development involving fill in the floodplain.)

Floodproofing protection level (non-residential only) ______ ft.(NAVD1988). Applicant must attach certification from registered engineer. (Required for floodproofed structures.)

□Certification from a registered engineer that the proposed activity in a regulatory floodway will not Result in any increase in the height of the regulatory flood event, or conditional approval issued by FEMA via a Conditional Letter of Map Revision (CLOMR) for the proposed activity. A copy of all data and hydraulic/hydrologic calculations supporting this finding must also be submitted. (Required for proposed encroachments to a floodway or non-encroachment area.)

□ A certified and completed Elevation Certificate that includes the proposed elevation of lowest floor (including basement). Applicant must submit the Elevation Certificate before construction (based on construction drawings), when building is under construction (before lowest floor is completed), and when construction is finished (as-built elevations).

□ A certified and completed Floodproofing Certificate for floodproofed non-residential structures. □ Location of all fill that will be stored in the floodplain, and statement of the amount of fill In addition, for a house show: The existing ground elevation and calculated height of the base flood elevation □ For a bridge submittal drawings and specifications for the bridge, certified by a registered professional Engineer. Calculations showing amount of fill (if any). A cross section at bridge location showing existing conditions, proposed conditions and BFE level. A site plan showing the location of all existing structures, water bodies, adjacent roads, lot dimensions, and proposed development. A copy of all data and hydraulic/hydrologic calculations supporting bridge submittal must also be submitted.

GRGWA Project 17-14a-Grants to Acoma Project Type/Size: Initial treatment of non-native phreatophytes, 138 acres Sponsor: Lava Soil and Water Conservation District (LSWCD), Landowner: Private Lands

Contractors shall bid cost per acre. Additional acres may be added depending on proposals and funding.

Project Location - The project is in Cibola County on private lands, on the east side of Grants, NM. This project area is next a 2016 GRGWA project, just east of the motels and Wal-Mart. The northeast boundary follows the railroad right-of-way fence line. The outer perimeter of the project area is 138 acres in size, but the actual acreage of target trees is less than 30 acres. The project follows the Rio San Jose channel and includes surrounding scattered patches of target trees. Access is available on dirt/two-track ranch roads and project trails. The approximate center of the project is located at Latitude/Longitude: N 35.12770 by W -107.81908

Project Objective – The project is considered maintenance of the Rio San Jose Channel and an initial treatment to remove non-native invasive woody trees on approximately 30 acres. The project will treat primarily salt cedar with some Russian olive and Siberian elm species. The down and dead woody material is not significant but will be treated.

Current Site Conditions – The area is primarily made up of light to moderate density, pole and mature tree sized salt cedar with some Russian olive and Siberian elm. The target trees are located on the sides of the Rio San Jose channel and in areas surrounding the channel. Target trees in the surrounding area are in scattered patches, sometimes located around Lagunas. Depending on the season these areas can be too wet to operate. There may be target species adjacent to cottonwood trees and fence lines that will not be treated to avoid damage. The Rio San Jose channel has native plants including grass, sedges, rushes and cattails. There are native shrub species including salt bush, and a patchy understory of native grasses.

The project has fencing in portions of the project area. The project area can be accessed through ranch roads, gates and old fence lines. The project boundary is not flagged. Shape files and GPS waypoints of the project boundary and protected areas will be provided.

Project Description – The project is considered maintenance of the Rio San Jose Channel and an initial treatment to remove non-native invasive woody trees on approximately 30 acres. The project will treat primarily salt cedar with some Russian olive and Siberian elm species. The down and dead woody material is not significant but will be treated.

The overall preferred method of treatment is extraction and mastication, but all treatment methods will be considered.

Alternatives will be considered for chip or mulch depth standards to protect native grasses. Mastication may be concentrated in windrows. Alternative slash methods must avoid any overstory cottonwood trees. Damage to native grass and shrubs should be minimized. Large salt bush shrubs are common and will not be extracted but may be masticated to allow room for treatment.

Large target tree stems can be decked or piled as firewood on the edge of the project away from the drainage and native trees. Firewood logs can be up to 16 foot in length.

The drainage channel and irrigation ditches must not be damaged. Leave drainage and ditches as found. Dirt in drainage must be avoided. Any debris created by project must be removed from the drainage.

Leave fence lines as found.

The project treatments will follow the GRGWA, 2019 General Riparian Prescriptions.

Desired Condition – The project will maintain the Rio San Jose and begin to restore the surrounding basin and the Rio San Jose streambed. The project will reclaim the drainage channel to promote increased water and native plant species. The project will enhance the overall long-term health of the watershed. The treatment will reduce the fire hazard.

The landowner and local government will be responsible for removing the accumulated garbage and construction debris. The landowner may remove or re-purpose the mastication material. The landowner and the Lava SWCD may conduct re-vegetation with native grass seed.

Future Retreatment – Future herbicide re-treatments must be coordinated with the landowner. At least two, and possibly three future retreatments will be necessary to complete the project and achieve desired condition. A specific project plan will be developed for each retreatment project. The first retreatment project will typically be a foliar or basal bark herbicide spray on first or second season re-growth. Retreatment projects will be by a hand crew and will take place ideally in the fall but could start in mid-June with a target of reducing 60% to 80% of the re-sprouts. A second re-treatment should take place three years after the initial treatment. Monitoring for the desired condition should take place five years after the initial project.

Request to Publish Updated Business Registration Ordinance

BOARD OF COUNTY COMMISSIONERS ORDINANCE 2019-

AN ORDINANCE PROVIDING FOR THE ESTABLISHMENT OF A SYSTEM OF LOCAL BUSINESS REGISTRATION; PROHIBITING OPERATING AN UNREGISTERED BUSINESS; AND PROVIDING PENALTIES FOR VIOLATION

WHEREAS, NMSA 1978, Section 3-18-1 (1972) provides that municipalities have the power to "protect generally the property of its municipality and its inhabitants" and to "preserve peace and order"; and,

WHEREAS, NMSA 1978, Section 3-38-3 provides that municipalities have the authority to charge a business registration fee on each place of business conducted within a municipality.

WHEREAS, NMSA 1978, Section 4-37-1 grants Counties the same powers that are granted municipalities except for those powers that are inconsistent with statutory or constitutional limitations placed on counties.

NOW THEREFORE, BE IT ORDAINED that the Board of County Commissioners of the County of Cibola adopts the following Ordinance establishing registration requirements for business conducted within unincorporated areas of the County.

Section 1. SHORT TITLE

This Ordinance shall be known as the Cibola County Business Registration Ordinance.

Section 2. JURISDICTION

This Ordinance shall apply to all unincorporated areas of Cibola County but not to areas within a federally created Indian Reservation.

Section 3. DEFINITIONS

<u>Combined Reporting System ("CRS") Tax Identification Number</u>. A tax identification number used to report and pay tax collected on gross receipts from business conducted in New Mexico.

<u>Engaging in Business</u>. Persons or entities operating, conducting, doing, carrying on, causing to be carried on, or pursuing any business, profession, occupation, trade, pursuit or activity for the purpose of profit and who are required to obtain a CRS Identification Number pursuant to New Mexico law and pay or should pay Gross Receipts and Compensating Tax (GRT) pursuant to NMSA 1978, Section 7-9-1, *et. seq.* to the State of New Mexico, then the business must be registered. Specifically excepted are athletic officials who officiate for any association or organization that regulates any public school activity and whose rules and regulations are approved by the State Board of Education.

<u>Place of Business</u>. The premises, whether it be a personal residence, mail business location, or an outlet, branch or other location thereof, temporary or otherwise, to which the public is expressly or impliedly invited for the purpose of transacting business. In the event there is no such location, but the business is transacted at the location of the buyer, then the general sales area shall be considered a place of business.

Section 4. REGISTRATION/RENEWAL/FEES REQUIRED

- A. Any person or entity engaged in business must complete a County Business Registration Form for each place of business within the jurisdiction of the County between January 1 and March 1, 2020 and must renew each subsequent year by March 1.
- B. The Business Registration Form is due thirty (30) days after new business is commenced or place of business added.
- C. The County Clerk, with the input of the Planning Coordinator, is authorized to promulgate application forms and to create and maintain records of registration. A current CRS number must be provided on each registration and renewal form.
- D. Registration and renewal forms must be signed by the County Clerk, the Planning Coordinator, and a representative from the County Assessor's Office before registration is complete.
- E. Yearly fees are assessed at thirty-five dollars (\$35.00). Fees will not be prorated.

Section 5. UNLAWFUL CONDUCT

1. It shall be unlawful for any person who is required by New Mexico law to obtain a CRS Identification Number and/or to pay GRT to engage in business within the County's jurisdiction without registering the business and complying with the terms of this Ordinance. 2. It shall be unlawful for any person to knowingly file an application for issuance or renewal of any business registration on which any of the information required has been falsified.

Section 6. PENALTIES and ENFORCEMENT

- 1. A fine of up to three hundred dollars (\$300.00) may be imposed pursuant to NMSA 1978, Section 3-17-1(C)(1).
- 2. In addition to a fine, the County may institute at any time up to four (4) years following the violation any appropriate judicial action or proceeding to:
 - a. Prevent the conduct of the business;
 - b. Prevent the occupancy of the building, structure or land on which the business is located;
 - c. Collect fees by suit in court; or
 - d. Charge a late fee of ten dollars (\$10.00) per year for registration renewal payments made after the due date of March 15.
- 3. Unpaid registration fees constitute a lien in favor of the County and may be enforced according to any available legal provisions.
- 4. The Sheriff's Office and the Planning Coordinator are authorized to issue citations pursuant to Paragraph 1 of this Section; and, the County Attorneys are authorized to carry out enforcement activities pursuant to Paragraphs 2 and 3 of this Section.

Section 7. REPEALER

Ordinance 91-2 is hereby repealed.

Section 8. SEVERABILITY

If any section, subsection, sentence, clause, word or phrase of this ordinance is for any reason held to be unconstitutional or otherwise invalid, such decision shall not affect the validity of the remaining portions of this ordinance. The Commission hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, word or phrase thereof irrespective of the fact that any one or more section, sub-section, sentence, clause, word or phrase thereof be held unconstitutional or otherwise invalid.

Resolution 19-57

Support of Feasibility Study for Improvements to the road to La Mosca Peak

CIBOLA COUNTY BOARD OF COUNTY COMMISSIONERS RESOLUTION NO. 19-57

A RESOLUTION OF SUPPORT FOR THE FEASIBILITY STUDY FOR THE IMPROVEMENT OF THE ROAD TO LA MOSCA PEAK.

WHEREAS, the Board of County Commissioners is the duly elected and governing body of the County of Cibola New Mexico;

WHEREAS, the improvement of the road to La Mosca Peak will improve access for the elderly, and disabled;

WHEREAS, the improvement of the road to La Mosca Peak will enhance the education, cultural enrichment, and recreation of the region;

WHEREAS, the improvement of the road to La Mosca Peak will be conducted in a respectful, safe and environmentally friendly way recognizing the value of this area as a Traditional Cultural Property and as a viable means to improve access for the Citizens of our communities;

WHEREAS, the improvement of the road to La Mosca Peak will enhance and create economic development in and for the surrounding regional communities while respecting the sanctity of the mountain;

WHEREAS, the improvement of the road to La Mosca Peak will better restore and preserve the forest for among other resources, fire wood, landscape, water, and to prevent devastating wild fires;

WHEREAS, the improvement of the road to La Mosca Peak as a paved road will reduce fugitive dust that occurs from the gravel road, more effective control of erosion, and to promote Public safety for all modes of transportation;

WHEREAS, the improvement of the road to La Mosca Peak will enhance the annual Mt. Taylor Winter Quadrathalon which is a large event benefiting the entire region;

WHEREAS, there are people from all aspects of life who will come to our communities to enjoy the sanctity, vastness, and the rich cultural value of Mount Taylor and the Cibola National Forest;

NOW, THEREFORE, BE IT RESOLVED, that for the reasons stated above in the recitals, the Cibola County Board of County Commissioners supports the feasibility study for the improvement of the road to La Mosca Peak.

APPROVED, ADOPTED, AND PASSED on this 22nd day of August, 2019.

Resolution 19-58

Resolution 19-58 to Replace Resolution 19-40 Designating the location of Election Day Polling Places

CIBOLA COUNTY BOARD OF COUNTY COMMISSIONERS RESOLUTION NO. 2019-58

A RESOLUTION DESIGNATING THE LOCATION OF ELECTION DAY POLLING PLACES FOR ALL STATEWIDE ELECTIONS CONDUCTED IN 2020 AND 2021; COUNTY CANVASSING BOARD DUTIES THROUGH THE END OF 2021; AND APPOINTING THE BOARD OF COUNTY COMMISSIONERS AS CANVASS BOARD FOR THE COUNTY AND REPEALING AND REPLACING RESOLUTION 2019-40

WHEREAS, the Cibola County Board of Commissioners met upon notice of a regular meeting duly published at the Cibola County Administration Building, 700 East Roosevelt, Suite 50, Grants, New Mexico 87020 on August 22nd, 2019, at 5 p.m. as required by law; *and*

WHEREAS, pursuant to the New Mexico Statutes Annotated 1978, Section 1-3-2 (2019) in June or July of 2019 the Board of County Commissioners by resolution shall designate the location of election day polling places in the county for the conduct of any statewide election conducted in calendar years 2020 and 2021; *and*

WHEREAS, the Board of County Commissioners finds that each polling place designated in this resolution complies with the provisions of NMSA 1978, Section 1-3-7 (2019), titled Polling Places; *and*

WHEREAS, the Board of County Commissioners finds that the Voting Convenience Centers created by this resolution will make voting more convenient and accessible to voters of the consolidated precinct, will not result in delays in the voting process, and are centrally located within each consolidated precinct; and further that the Voter Convenience Centers created by this Resolution along with any Early Voting locations which the County Clerk determines to maintain open on Election Day as additional Voter Convenience Centers all meet the requirements of Subsections B and C of NMSA 1978, Section 1-3-4 (2019) and will be available to voters of any precinct in the county to cast a vote at the Voting Convenience Center; *and*

WHEREAS, the Board of County Commissioners finds that the voters of those precincts which pursuant to NMSA 1978, Section 1-3-4(B)(7) (2019) the board of county commissioners has exempted "certain precincts [] from operating as a voter convenience center or being a part of a

consolidated precinct; provided that if the precinct is not designated as a mail ballot election precinct pursuant to Section 1-6-22.1 NMSA 1978 and the polling place for that precinct does not have real-time access to the voter registration electronic management system ,[] and

WHEREAS, the Board of County Commissioners finds that those precincts designated as Mail Ballot Election Precincts meet the qualifications of NMSA 1978, Section 1-6-22.1 (2017), have fewer than one hundred (100) voters, and the nearest polling place for an adjoining precinct is more than twenty (20) miles driving distance from the boundary of the Mail Ballot Election Precinct; *and*

WHEREAS, the Board of County Commissioners finds that that each polling place provides individuals with physical mobility limitations unobstructed access to at least one voting machine; *and*

WHEREAS, the Board of County Commissioners designates, pursuant to NMSA 1978, Section 1-13-1(B) (2019), the County Board of Registration to serve as the County Canvassing Board for all Statewide and Special elections through the end of 2021; *and*

WHEREAS, pursuant to NMSA 1978, Section 1-4-34 (2019), the Board of County Commissioners shall at its first meeting in June of 2019 appoint the Board of Registration for the County, who shall serve a term from July 1, 2019 through June 30, 2020.

NOW, THEREFORE, BE IT RESOLVED that the Board of County Commissioners designates the election day polling locations for any Statewide Election to be conducted in 2020 and 2021 as follows:

Resolution No. 19-60

Fiscal Year 2019

Resolution Authorizing Disposition of Oce TDS 400 Plotter from Assessors Office

WHEREAS, pursuant to NMSA 1978 Section 4-38-1 the powers of a county as a body politic and corporate shall be exercised by a board of county commissioners; and,

WHEREAS, NMSA 1978, Section 4-38-13 provides that board of county commissioners shall have power at any session to make such orders concerning the property belonging to the county as they may deem expedient; and,

WHEREAS, NMSA 1978, Section 13-6-2 provides that the County give notification at least thirty days prior to its action making the deletion by sending a copy of its official finding and the proposed disposition of the property to the state auditor and the appropriate approval authority designated in Section 13-6-2 NMSA 1978, duly sworn and subscribed under oath by each member of the authority approving the action.; and,

WHEREAS, NMSA 1978, Section 13-6-2 provides, in pertinent part, that the "sale or disposition of real or tangible personal property having a current resale value of more than five thousand dollars (\$5,000) may be made by a . . . local public body. . . if the sale or disposition has been approved by . . . the local government division of the department of finance and administration for local public bodies; and,

WHEREAS, the County is in possession of 1991 Oce TDS 400 Plotter, Model #01001 and it no longer needed by the County and considered obsolete, broken, and is unusable and has a minimum resale value between \$250 to \$2,000; and,

NOW THEREFORE BE IT RESOLVED by the Board of County Commissioners of Cibola County that it authorizes the sale of the 1991 Oce TDS 400 Plotter, contingent upon securing the approval of the local government division of the department of finance and administration and sending notification to the office of the state auditor; and,

PASSED, APPROVED and ADOPTED by the governing body at its regular meeting on the 22nd day of August, 2019.

Request for Approval of Property Disposition Checklist

County and Special District Required Documents: (required by Section 13-6, NMSA 1978 for the LGD approval)

- 1. Cover letter should include the following:
 - a) Type of Disposition:

PERSONAL Property

- Sale
- X Exchange/Trade
- Donate
- Otherwise Dispose
- b) Reason(s) for disposal The reason for disposal is the current plotter is currently broken and needs to be replaced/upgraded.
- c) Method of disposal:
 - Public Auction
 - Solicitation of sealed bids
 - Negotiated
 - Donation

X Exchanged – J-MAR & Associates is the lowest quote for a replacement and upgraded plotter. J-MAR & Associates has offered to reduce their quote by \$2,000 if the County exchanges the current broken plotter with the purchase of the new plotter. This exchange also ensures any value stays within the Assessors office as not only do they have a general fund budget but the County Valuation Fund which is special revenue. Not sure which fund was used for the purchase of this equipment.

- Other (explain)
- d) Details of disposal:

Personal Property:

X Year manufactured – 1991 per the Operating manual

- X Model Oce' TDS 400 Model #01001
- X Serial Number None, but the Cibola County asset listings # are 1358 & 1357 for all
- pieces

П

Mileage - NA

X Current Resale or Market Value - \$0 (fully depreciated and unusable) - \$2,000 (based on price reduction......Also please note upon researching online similar equipment the market value for this was \$250.00, \$399.00, and \$999.00. See attached offers. Also, since this equipment is currently broken and unusable it would cost the county more to dispose of it than it is worth thus an exchange is in the best interest of the county.

- Grant Purchase: (If yes, verification from granting agency if allowable.)

2. **Resolution** approving disposition (*meeting minutes* attesting governing body approved if personal property valued at less than $(5,000) - \frac{8}{22}$ Commission Meeting

Re: Disposition of Property

Dear Mrs. Cummings,

Cibola County seeks approval from the DFA for the disposition of a 1991 Oce TDS 400 Plotter. The Plotter is valued between \$250 to \$2,000 and pursuant to Section 13-6 NMSA 1978 the County requires DFA approval for the disposition of this plotter. Additionally, Cibola County has also sent notification to the New Mexico Office of the State Auditor disposing of vehicles and equipment.

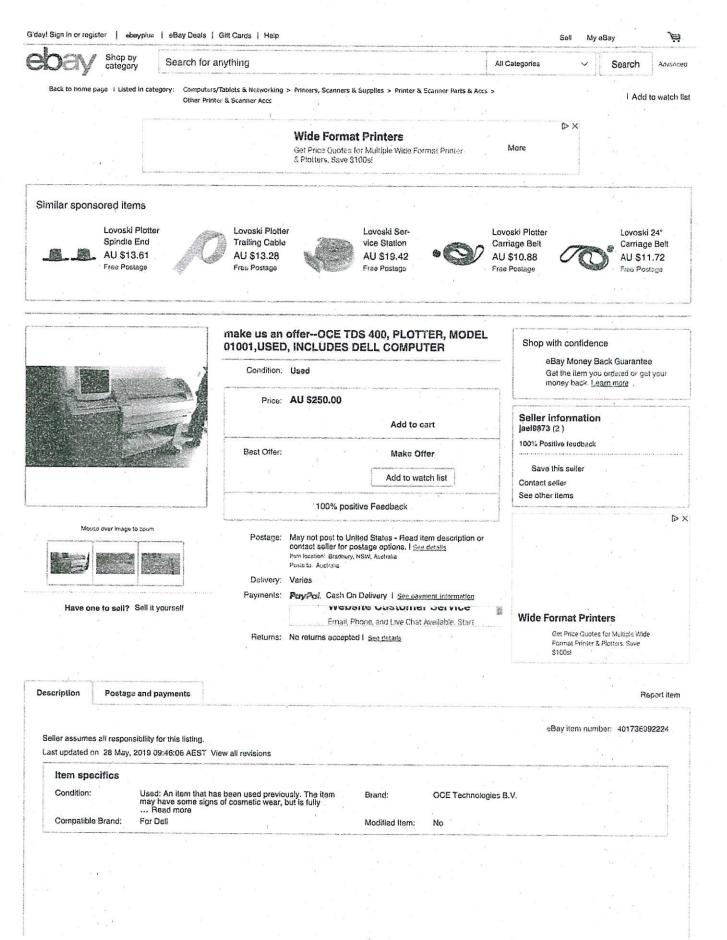

The Plotter is broken, obsolete and is no longer usable with minimal value left. It is in the best interest of the county to dispose of this property to make room for new equipment being purchased. The Assessor's Office will use the old plotter as a trade in value of \$2,000 as a partial payment for the new plotter.

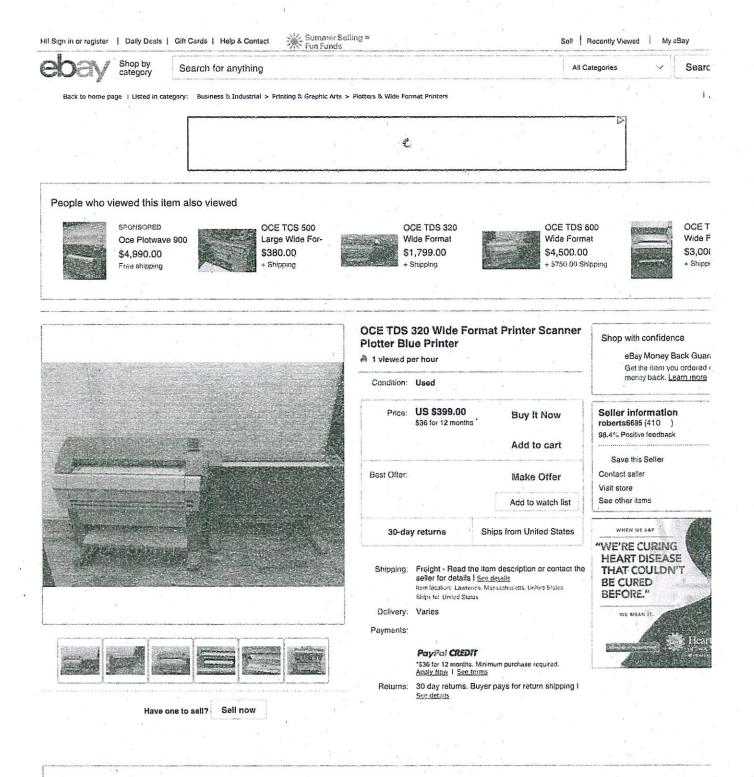

See attached checklist and other supporting documentation for details.

Finally, attached is the signed resolution approving the sale of the vehicles and equipment. If you have any questions or concerns please feel free to contact me at any time.

Sincerely,

Paul Ludi Cibola County Finance Director 505-285-2516

Acct# 2000

This agreement is a contract by and between the Northwest New Mexico Regional Solid Waste Authority and Cibola County. This will provide container(s) per site. This will be used for collection and disposal of municipal waste.

This Contract will be effective July 1, 2019 thru June 30, 2020.

Terms are as follow: Haul Fee (Per Contained

Haul Fee (Per Container) Bluewater	\$100.00
Cubero	\$225.00
Pinehill	\$300.00
San Mateo	\$200.00
Seboyeta	\$250.00
Tipping Fee (Per Ton) Red Rock Land Fill	\$35.00
Tipping Fee (Per Ton) Cibola/McKinley Transfer Station	\$42.00
Overweight Fee (Over 11 Tons)	\$150.00
Rent Fee	\$75.00

5% GOVERNMENTAL GROSS RECEIPTS TAX

Container may not be loaded above the rim and no sharp objects may project upward or hang over the sides. Drivers will not adjust any loads. That is the responsibility of the contractor and will be done before the truck arrives. Any issues with this may result in the container being removed.

The container shall remain at the designated location until proper authorization is obtained for relocation. Any damage done to the container, while in this location, is the responsibility of the renter.

We reserve the right to cancel this contract, with a 30 day written notice.

Payment is due the 10th of each month. Failure to make prompt monthly Payments shall result in termination of this contract. If Account is 60 days past due we will remove container.

I/We agree to the terms and conditions set forth by the Authority.

Accepted by 2/10/19 Cibola County Date NWNMRSWA Dat Ph# (505) 287-9431
