

CITY OF GRANITE FALLS

RESOLUTION NO: 01-05

WHEREAS the need is recognized by teens, parents, schools and community to create a place for young adolescents (ages 13-18) to engage in positive activities; and

WHEREAS an environment of community support and teen ownership is needed in order for teens to create and have access to learning opportunities in real-life experiences including service learning, volunteerism, citizenship, interpersonal skill, creativity to reality projects, business skills and self esteem building; and

WHEREAS there is a group of motivated teens and parents interested in the concept and development of a Granite Falls Teen Center (T.O.P.); and

WHEREAS city departments and organizations can work in partnership with the teen center, schools and businesses in order to research and apply for funding.

THEREFORE it is resolved that Granite Falls City Council commits to support the development of the T.O.P. in collaboration with teens, parents, schools, businesses and local service organizations.

Approved this 14 day of November, 2001.
