Catch the Reading Bug at CMPL this Summer!

Read what you want, when you want and you could win a Wii®

Catch the Reading Bug at the Clinton-Macomb Public Library beginning June 2! This year's summer reading themes are perfect for summer. We even have reading bugs on the loose at the Main Library that you can find to win a prize!

"We made a lot of headway in signing up more people for the Summer Reading Club last summer," said Library Director Larry Neal. "But this year we still want more people to participate. Families including grandparents, parents, teens, children and even babies can participate in the Summer Reading Club."

Participating in the Summer Reading Club is easy, even if you have a hectic summer schedule. Children, teens and adults can read whatever they want, whenever they want to complete the program. There is no schedule to follow or certain books you have to read in order to participate or complete the program.

For those of you who will be at the library this summer, CMPL has planned numerous activities to keep you entertained. Children and teens both have the opportunity to win their very own Nintendo Wii® just for reading 15 hours or more this summer! Teens can also read for a chance to win weekly prizes to local businesses.

Adults will be reading for the opportunity to win a bi-weekly prize of a book light and a grand prize of a Kodak® digital camera.

Joining the Summer Reading Club is easy. Beginning June 2 just visit any CMPL location and pick up a reading chart for children, teens or adults. Spend time reading this summer: 15 hours for children and teens or three books for adults, and turn in your form by August 2. By mid-August, you could be a big winner!

Thank you to the following sponsors of the Summer Reading Club:

Big Boy of Clinton Township
Dave and Busters of Utica
Dairy Queen
Friends of the Library
Maxx Play

Find the Reading Bug!

You don't have to like bugs to get involved in the summer reading program. You can participate by simply visiting the library this summer. Beginning **Monday, June 2** you can pick up your Bug Notebook from any reference desk at any CMPL location. A bug puppet will be reading a book in different areas of the library over the course of the summer. Write down the book title in your bug book log each week. At the end

of the summer a random drawing of correct entries will determine a winner. The puppet will find a new location and a new book the weeks of **June 2, June 9, June 16, June 23, July 7, July 14, July 21 and July 28**. Please note that the puppet will be reading different books at each location. If you start playing the game at the North Branch, you will need to continue to play at the North Branch in order to complete the game with the correct answers.

Submit your completed log and you could be the winner of a great prize! Don't worry if you can't visit the library once a week. Just visit our web site and look for puzzles to help you find out what you missed. Solve the puzzle and you will get the title of the book you missed. This contest is open to children, teens and adults.

From the Director

I am pleased to report that the library's Strategic Plan 2008-12 has been formally approved by the Library Board. This comprehensive report (available for review at the Adult Nonfiction Desk at the Main Library) will help guide the library over the next four years.

One of my favorite parts of the process was a very simple study we did for a one-month period. Every time a staff member had to tell a customer "no" in response to a request it was noted in a log. The requests were grouped together when possible and then tallied. Where feasible we have worked to change those "no" responses into "yes" responses and here are several examples:

- ♦ Do you have word processing at the North or South Branch? Yes.
- ♦ Do you have a fax machine for public use? Yes. We offer the service at the Library Store at the Main Library at this point.
- ♦ Can I pay my fines with a debit or credit card? Yes. This is being implemented online this spring and will be added at the self-checkout stations by fall.
- ♦ Do you circulate video games? Yes.
- ♦ Do you have Bresser's? Yes. It is available at each branch's reference desk and the Adult Nonfiction Desk at the Main Library.
- ♦ Do you offer computer classes? Yes. We have started personalized tutoring sessions with volunteers at the South Branch. Call 586-226-5073 for further information.

Sometimes we still have to say "no" or "maybe" and for a good reason:

- ♦ Can you tell me what is checked out on my family member's library card? Maybe. To comply with Michigan law you must have permission as an authorized user.
- ♦ Are you closing this library because of the county's budget cuts? No. The Clinton-Macomb Public Library is not part of the county government. We are a district library formed between Clinton Township and Macomb Township. Through thoughtful planning both municipalities chose to combine resources to benefit all residents with more efficient, consolidated services. The Library Board promised the voters two branches and a main library and is committed to offering three locations.

Thankfully, even after a month of tallying "no" responses we did not end up with a long list. Our goal is to be able to say "yes" whenever possible. Speaking of saying "yes," have you been to your local library recently? Do you have a library card? If not, stop by and visit us soon!

Brick Pavers

Have you purchased a brick paver yet? **You have until June 1 to get your order in for a brick paver this year.** You can choose up to three lines of personalization.

The bricks are laid into the patio over the summer and there is a dedication ceremony where you will receive a photo of your brick in a commemorative card. Purchasing a brick paver is a wonderful way to commemorate a special event such as a graduation, birth or anniversary. Bricks are just \$65. Pick up a brick paver form at any CMPL location or online at www.cmpl.org/Library/SupportLibrary.htm.

Thank You to Donald Green

It is with a heavy heart and warm wishes that we bid farewell to current Library Board Trustee, and former Board President, Donald W. Green. Don has been on the Library Board of Trustees since 1996. "At my age," the 82-year-old Green commented, "it's a good time to retire so that younger people with new ideas can join the Board. The library is in great shape, with an excellent director, a dedicated, well-trained staff and a Board of Trustees that functions well as a team. I plan to devote more time to my lifelong interests of researching and writing about state and local history."

Don and Mira Green

Twelve years ago he hit the ground running in his belief that a first-class library system could be established in Clinton and Macomb Townships. It was at Don's urging that the library moved out of a classroom and rented a storefront on Garfield. With this increased visibility, the Library Board was able to pass a millage to ensure the Library had the funds to expand.

As Board President he convinced the Board to build two branches and a Main Library. He was also instrumental in getting property donated for the Main Library. Don has been an essential voice in contacting donors, creating policies and being an advocate on behalf of the library. When the Library Board needed additional trustees Don recruited new trustees that had experience in the banking, legal, investment, educational and library fields. His connections to the local politicians, service clubs, educational and accounting community and other library trustees in the state and county benefited the Library immensely.

Aside from libraries, Don's other passion is local history. In 2005, the Main Library dedicated the Local History Room to Don for his efforts on behalf of the library.

In 2003, as the Main Library was being built, Don told associates that he wanted people to enter the Main Library and say "Wow." Looking back at Don's accomplishments over the past 12 years, we can only marvel and say "Wow." We would like to thank Don Green for all the time, effort and love he has dedicated to the Clinton-Macomb Public Library. We wish him well and he will be missed.

Flower Weekend

For the first time, on **Sunday, May 11** the Main Library will be open for service on Mother's Day. Since it is Mother's Day, we thought we'd celebrate by decorating all service desks with flower arrangements in honor of the holiday. Stop by the **Main Library** the weekend of May 9-May 11 and see what beautiful flowers our local florists have to offer. We would like to thank the following florists for their generous donations to the library: **Clinton Flowers and Gifts, Kraatz Florist, Lavande's Flowers and Gifts, Tantalizing Blooms, Van Maele Florist and Greenhouse.**

The Sum IS Greater than Its Parts

Added value is an updated phrase for what was once called a bonus. Your purchase of Library Gift Store merchandise gets you items that you enjoy and provides funding directly to the library. Whether you prefer calling this a bonus or added value, you + the Library Gift Store = real benefits to everyone! Your visits to the Store support CMPL's mission to provide excellent library services, collections, programs and facilities.

The Store offers EXTRA services for library customers, as well. Personal CDs, DVDs or video games can be repaired. The repair cost for a CD or DVD is \$3 per disc and \$5 each for video game discs.

Want more? We now offer faxing services within the United States and Canada at the Library Gift Store. The price is \$2.00 for the first page and \$1.00 for each additional page.

Plus, the volunteers are happy to help you find information about scheduled library programs or direct you to appropriate library staff for assistance. If you would like to add your name to the Library Gift Store volunteer list, contact Phyllis Elam at 226-5007 for details.

The Library Gift Store is open Monday - Tuesday from 10 a.m. - 8 p.m. and Wednesday - Saturday 10 a.m. - 5 p.m.

Sister City Japanese Festival Coming!

This summer, Clinton Township will again be hosting a delegation of visitors from our sister city Yasu, Japan. Activities will include interactive games, traditional Japanese food samplings, Japanese calligraphy, an opportunity to model traditional Japanese kimonos and more! The event will run from **4 to 7 p.m.** All ages are welcome. For more information on the festival or the Township's sister city program, contact Nieves McRoberts at (586) 598-3545 or Mary Ann Hosey at (586) 286-9366.

The staff blog is accessible from our homepage at www.cmpl.org, or you can visit it at <http://cmplisreading.blogspot.com>. We'll tell you what we're reading and why we liked it. Everything we recommend can be found in our catalog. The blog can even be sorted by age group. If you're looking for something good to read, visit our blog and see what we're reading.

Homework Help in Time for Exams

Students—don't forget about Homework Help! Just in time for final exams, CMPL offers Live Homework Help to students in grades 4-12. The service, accessible through the library's web site, is available to students in Clinton and Macomb Townships who have a valid library card.

Students chat one-on-one with a tutor who explains a concept, principle or problem to the student. Students will not be given a direct answer to the homework, but they will be given tools and resources online to help them find solutions on their own. Students can log on from 3 p.m. to 10 p.m., seven days a week. Simple instructions direct students to connect with a grade appropriate subject specialist who will assist them. Each session lasts up to 20 minutes and the student can print the chat session afterwards.

Live Homework Help is a special resource to which CMPL subscribes. CMPL is one of only 13 Michigan libraries to subscribe to this innovative tutoring service. Monthly, over 400 tutors and librarians work to help over 40,000 students from across the country.

The Nintendo Wii® offers mental stimulation and exercise by incorporating movement into gaming. Just stop by the Main Library to try your hand at golf, bowling, baseball, tennis and more! In addition to the Wii®, we will also have Rock Band® and Guitar Hero® set up for those who would like learn how to play. We will have staff on hand to instruct and assist you. Mount Clemens: Bath City of America

There were over 75 hotels and 11 spa bath houses in operation in Mount Clemens between 1870 and 1970. The reputation of the healing powers of the mineral baths in Mount Clemens was well known not only nationwide, but around the world. Hundreds of thousands of sick people came for these curative bath treatments.

Come to the **Main Library** on **Tuesday, May 20** at **7 p.m.** to hear about Bath City. Popular local historians Don Green and Cindy Donahue along with media specialist Joe Peruzzi have produced an exciting and nostalgic video documentary on this colorful period in Mount Clemens' history. View some scenes from the old hotels and bucolic streets of the early days in Mount Clemens. The "old timers" will love seeing these familiar scenes and the younger folks will marvel at the busy spa business of yesteryear. **Registration begins May 6.** Call 226-5040 or visit the Events page at www.cmpl.org to register.

Summer Reading: Pollinate Your Mind

Join the fun at CMPL this summer by getting involved in the Adult Summer Reading Club! Starting **June 2**, pick up an entry form at any CMPL location. The rules are simple: read or listen to any three books between **June 2** and **August 2**, then fill out an entry form with the titles

and authors you read. Once your form is completed, turn it in at any reference desk and you could win a fabulous prize! This year we will conduct a bi-weekly prize drawing at all three locations and a grand prize drawing at the end of summer reading. The grand prize this year is a Kodak digital camera. The more

you read, the more times you can enter. You can read whatever you want, whenever you want. Pick up a form June 2 for your chance to win!

Gardening 1,2,3

Come to the library to celebrate this year's summer reading theme, Pollinate Your Mind. Master Gardener Deb Hall will come to the **Main Library** on **Thursday, June 5 at 6:30 p.m.** to present Gardening 1, 2, 3. This program will help you define the purpose of the garden, be able to select a site, analyze the conditions, and prepare the site for planting. We will provide a list of plants so that you will be able to select appropriate plants for your own garden. Attending this program will give you confidence and some common sense to enhance your gardening experiences. Finally, this program will teach you the steps involved and timing for maintaining the garden and help you find some books that can help you along the way. **Registration begins May 22.** Call 226-5040 or visit the Events page to register.

Deb Hall has been gardening for over 18 years and has operated her own garden maintenance firm, Twigz since 1996. Deb is an Advanced Master Gardener and received her Master Composter certificate in 1995. She earned her Certificate of Gardening Fine Arts from the Michigan School of Gardening in January 2001.

What is Victory?: The Long War Strategy

Brigadier General Richard A. Stone USAR, is a local resident and frequent lecturer on the medical and humanitarian mission in the Global War on Terrorism. He has given numerous presentations on his experience in Afghanistan and will be at the **Main Library** on **Monday, May 12 at 6:30 p.m.** to present a new program entitled "What is Victory?: The Long War Strategy."

This new presentation is a discussion on the war on terror and defines victory both for the enemy and the United States. This is an engaging lecture that reviews the enemy's goals in their own words from letters and enemy-sponsored Internet web sites. It approaches the current debate about the war from a non-partisan perspective. You will emerge from this program with a better understanding of the historical events that led to the current war and what America must do to attain victory. The presentation will last about 45 minutes with additional time for questions and discussion. **Registration begins April 28.** Call 226-5040 or visit the Events page at www.cmpl.org to register.
