

CITY OF CONROE

ADOPTED CODES

The City of Conroe has adopted the 2009 International Codes with local amendments. In some cases, the State of Texas has adopted newer versions of certain codes and in those instances, The State adopted versions will govern.

Our local amendments can be found online at [Municode](#), Chapter 14, Conroe Code of Ordinances. Recently the Texas Legislature passed H.B. 2439 which preempts some of our local amendments. Please contact the Building Official for specific questions related to H.B. 2439.
