Paul Virgadamo, Jr.
City Administrator

Welcome

On behalf of our elected officials and dedicated city employees, I am pleased to present to you the City of Conroe by the Numbers FY 2019 Popular Annual Financial Report & City Update. The City of Conroe has experienced many positive accomplishments during the past year including the launch of Conroe's Commuter Connection and Park & Ride services, as well as the growth of our healthcare facilities, numerous new developments and business expansion. The Annual Report is our opportunity to highlight those achievements and successes. Through the Council's strategic direction, and our staff's steadfast dedication to excellence, we have again exceeded expectations.

The Popular Annual Financial Report (PAFR) is prepared using financial information taken from the 2019 Comprehensive Annual Financial Report (CAFR). The CAFR includes full financial statements and note disclosures prepared in accordance with Generally Accepted Accounting Principles (GAAP). The PAFR condenses and simplifies information in the CAFR and is not intended to replace the CAFR. Information in the PAFR is unaudited and is not prepared in accordance with GAAP, due to its condensed and simplified presentation. Those seeking a deeper understanding of the City's finances are encouraged to review a copy of the City's CAFR, which is available on the City's website at www.cityofconroe.org/FinancialTransparency.

Thanks to the City Council's leadership and the determination of our employees, the City's financial standing is exceptional and businesses and developments continue to move to Conroe, bringing more job opportunities for its citizens. The City continues to move forward with more investments in infrastructure, including our streets, water and sewer systems, as well as parks, community centers, new restaurants, retail shops, residential projects and commercial buildings. The City also remains committed to supporting the arts, culture, public health and public transportation. Our many local artists, musicians, events and venues continue to make us a cultural gem. The many successful community events, performances, outdoor activities and Lake Conroe make our City a great destination for tourists.

In that spirit, we invite you to come see us at City Hall or visit the City of Conroe website (www.cityofconroe.org) and let us know how we may serve you.

Glossary of Financial Terms

 **Accrual Basis of Accounting** is a method of accounting that recognizes the financial effect of transactions, events, and interfund activities when they occur, regardless of the timing of the related cash flows.

 **Current Assets** are available or can be made readily available to finance current operations or to pay current liabilities. Current assets include those which will be used up or converted into cash within one year. Some examples are cash, investments, taxes receivable, prepaid items, and inventories.

 **Capital Assets** include land, improvements to land, easements, construction in progress, buildings, building improvements, vehicles, machinery, equipment, infrastructure, and all other tangible or intangible assets that are used in operations and that have initial useful lives extending beyond a single reporting period.

 **Deferred Outflows of Resources** represent a consumption of net positions that applies to a future period(s) and will not be recognized as an outflow of resources (expense) until then. Deferred outflows consist of deferred charges on debt refundings, pension contributions after the measurement date, pension activity, OPEB contributions after the measurement date, and OPEB activity. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. The amount is deferred and amortized over the shorter of the life of the refunded (old) debt or refunding (new) debt. The pension contributions after the measurement date are deferred and recognized in the following fiscal year. The pension activity is amortized over a 30 year period.

 **Current Liabilities** are expected to be paid to vendors or employees from current financial resources within one year. Also included are unearned revenue and accrued interest.

 **Long Term Liabilities** are liabilities with a future benefit over one year, including bonds, capital leases, notes payable, health claims liability, Other Post-Employment Benefits (“OPEB”), net pension liability, severance payable, and compensated absences.

 **Deferred Inflows of Resources** represent an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. Deferred inflows consist of pension activities related to the difference in expected and actual pension experience and OPEB activities related to the difference in expected and actual experience.

 **Net Investment in Capital Assets** represents the City’s investment in its capital assets less accumulated depreciation and any outstanding debt due to the acquisition, construction, or improvement of capital assets.

 **Restricted Net Position** is restricted by constraints imposed from outside the City.

 **Unrestricted Net Position** represents the portion available to meet the ongoing obligations of the City.

The Government Finance Officers Association of the United States and Canada (GFOA) presented an award of Distinguished Presentation to the City of Conroe for its annual budget for the fiscal year beginning October 1, 2018.

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communication device.

The Government Finance Officers Association of the United States and Canada (GFOA) presented an award for outstanding achievement to the City of Conroe for its Popular Annual Financial Report (PAFR) for the fiscal year ended September 30, 2018.

The PAFR is specifically designed to make information extracted from the comprehensive annual financial report to be readily accessible and easily understandable to the general public and other interested parties without a background in public finance.

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Certificate of Achievement for Excellence in Financial Reporting to the City of Conroe for its Comprehensive Annual Financial Report (CAFR) for the fiscal year ended September 30, 2018.

The CAFR is specifically designed to make information readily accessible and easily understandable to the general public and other interested parties without a background in public finance in the spirit of transparency and full disclosure.

Financial Position Statement

The City of Conroe Statement of Net Position presents the financial condition of the City at a specific point in time (in this case as of the end of the City's fiscal years, September 30, 2019, September 30, 2018 and September 30, 2017).

The financial information in the City of Conroe's Statement of Net Position and Statement of Activities is derived from information presented in the City of Conroe's Comprehensive Annual Financial Report ("CAFR") for 2019. The CAFR is lengthy and somewhat complex. However, it is available on the City's webpage, which can be accessed at www.CityofConroe.org/FinancialTransparency. The condensed statements presented herein do not include the detail presented in the CAFR including footnotes required for full disclosure. In addition, the statements do not include information related to the City's discrete component units (separate legal entities whose financial information is provided in the CAFR separately from the City's financial information).

Conroe's FM Radio

The partnership between Lone Star Community Radio and the City of Conroe was developed to provide the Citizens with hyperlocal community programming 24/7 as well as an emergency alert system that will help connect citizens directly with the City of Conroe's emergency management team in the event of an emergency.

This partnership will also produce quality programming for the City of Conroe's already blossoming local TV channel, Our City TV.

Beyond the practical reasons for having locally produced programming, Lone Star Community Radio helps to create the kind of strong community identity that is so attractive to young families and potential businesses, programming which celebrates our dynamic City.
