Pro Statement: No written comments in favor of this sales tax ballot issue were received.

Con Statement: This tax initiative treats a specific industry differently from other types of businesses by creating inconsistency in sales taxes collected on various products. This initiative additionally moves financial support for the Library and Museum onto a targeted group of businesses and individuals. Finally, this initiative has implications for the voters under Article X, Section 20, of the Colorado Constitution, commonly referred to as the Taxpayers Bill of Rights, which limits the amount of tax dollars that can be collected and retained by a governing entity.
