Larry, we'll make sure that your Letter of Interest is included in the consent agenda for next weeks meeting on the 11th. Thank you for your willingness to serve in this capacity.

Our meeting is scheduled for 6:30 on Tuesday evening. The consent agenda comes up early in the meeting. You're not required to attend, but always happy to have your attendance during the meeting. There is also a public comment period shortly after the consent agenda should you want to say anything to the City Council.

Have a good day,

Peter Brixius

Subject: Airport Advisory Board

Hello Peter,

Thank you for reaching out to me about the possibility of serving on the Craig Moffat Airport Advisory Board.

I would be interested in such an appointment. I have experience serving on industry and community boards and believe I would provide quality input on the board.

I have owned a hangar at the airport for a few years so I have an interest in the bright future of our local airport.

Thank you for your consideration. If you have any questions, please let me know.

Warm regards,
Larry Ellgen
