The monthly amount of Sales Tax received will reflect prior months collections due to delinquenct filings, and also don't reflect those that have not yet filed. Therefore, the amount and percentage change between current and prior year totals, only represents the amount and percentage collected. It is not a reflection of an increase or decease in sales activities.

THINGS TO KEEP IN MIND

- A Sales and Use Tax Simplification Task Force was originally created in 2017 to find ways to streamline how sales and use tax was collected and remitted in Colorado.
- 2 On June 21, 2018, The United States Supreme Court ruled 5-4 in South Dakota v. Wayfair that states can mandate that businesses without a physical presence in a state with more than 200 transactions or \$100,000 in-state sales collect and remit sales taxes on transactions in the state.
- The sales tax that is applied and collected is determine by when the customers takes possession of the merchandise and not at the point of sale.
