Katie Carmody
City Clerk
City of Craig
300 W. 4th Street
Craig, CO 81625

Dear Ms. Carmody:

I am submitting this letter of interest to serve as the City of Craig's voting representative on the Moffat Economic Development Authority (MEDA) Board. As a fifth-generation Moffat County resident, I am committed to supporting the long-term economic strength and stability of our community.

After earning my Bachelor of Arts in Economics and later a Master of Science in Accounting, I built a career managing alternative risk insurance programs for Colorado-based construction and manufacturing companies. Since returning to Craig in 2009, I have worked in accounting and, for the past nine years, served as Market President for Bank of Colorado.

My decision to return home was driven by a desire to raise my family in a close-knit community and to play an active role in shaping its future. Over the past seventeen years, I have served in a range of community, education, youth sports, taxing district, and economic development roles. These experiences have given me a broad perspective on both the challenges and opportunities facing Moffat County.

MEDA has a critical responsibility in guiding the coal transition settlement funds to support job creation, capital investment, and tax base stability. This responsibility is both substantial and essential. Beyond education and experience, a MEDA board member must bring passion, commitment, discipline, and adaptability. They must be a forward-thinking leader guided by compromise, diligence, consistency, and integrity. I believe I bring these qualities to the table, along with the professional experience necessary to contribute meaningfully to MEDA's mission.

Thank you for considering my application. I welcome the opportunity to serve as the City of Craig's representative on the MEDA Board.

Sincerely,

Chris Jones
