Initial Service Goals

Subject to available funding, the Yampa Valley Regional Transportation Authority (RTA) will use all reasonable efforts to provide enhanced regional transportation services and associated infrastructure including, but not limited to, the following service goals:

- Service Goal 1:
 - Increase the number and frequency of buses on Highway 40 between Craig and Steamboat Springs (this goal assumes the RTA will take over operations of the existing SST route; however, SST would still operate existing routes and services within the City of Steamboat Springs).
- Service Goal 2:
 - Establish a new circulator bus route within Craig that would serve both local transportation needs within Craig and as a connecting service to the Highway 40 bus route.
- Service Goal 3:
 - Provide new bus routes to unserved areas such as south Routt County (including Stagecoach, Oak Creek, and Yampa), and unincorporated areas along Highway 40 (such as Steamboat II/Heritage Park).
- Service Goal 4:
 - Provide new ground transportation options to/from the Yampa Valley Regional Airport for employees and visitors.
- Service Goal 5:
 - Improve existing bus stop amenities and first-last mile connectivity to transit access points, and develop new bus stops along new, currently unserved corridors. This goal would include coordination of new amenities with existing bus stop amenities and access to bus stops along the Highway 40 corridor, in Craig on the regional and local circulator routes, and for any new south Routt County transit services.
- Service Goal 6:
 - Create new park-and-ride lots for commuters accessing the Highway 40 bus route and other new routes.
- Service Goal 7:
 - Support roadway safety improvements such as crosswalks and other pedestrian improvements, especially adjacent to bus stops on regional routes, and wildlife crossing through planning, coordination, and possible financial support in the form of matching funds towards state or federal funding. The RTA would expand existing efforts in improving pedestrian safety at key locations, such as at Highway 40 and Heritage Park.
- Service Goal 8:

- Establish the RTA as a stakeholder in commuter and regional rail discussions and planning. The RTA may also choose to provide possible financial support in the form of matching funds towards state or federal funding.
