SUBJECT: Single Axle Dump Truck with 10ft Bed

We opened bids February 3rd for Road and Bridges Single Axle Dump Truck with 10ft Bed. This Truck would replace a 2012 International dump truck. Our budget for the truck portion is \$191,000.00.

We received 3 proposals back with all 3 meeting bid specifications, see below bid tab.

Single Axle Dump Truck with 10ft Bed	McCandless (International)	Grand Junction Peterbilt	Grand Junction Peterbilt
Truck Type	2027 International HV507	2027 Peterbilt 548	2027 Peterbilt 548
Truck Price	\$168,304.82	\$201,888.00	\$211,374.00
Warranty	\$7,992.00	\$4,238.00	\$4,238.00
Trade	\$15,000.00	\$8,000.00	\$8,000.00
Total with Trade	\$161,226.82	\$198,126.00	\$207,612.00
Total without trade	\$176,226.82	\$206,126.00	\$215,612.00

With the trade in offer coming in low at \$15,000 we would like to keep the dump truck (trade) and offer it at the city auction planned for this Fall. With that still leaving us \$14,773.18 of our budget for upfitting the snowplow on the truck.

We would like to recommend the award go to McCandless Truck Center for the 2027 International HV507 Single Axle Dump Truck with 10ft bed for \$176,226.82. They have met all specifications and are low bid.
