

Memo

To City Manager and City Council
From Carl R. Ray, Water and Wastewater Director
Date 12/04/2025
Subject **Award Recommendation for Trailer Mounted, Diesel Power, Wastewater Pump**

The Wastewater Department uses trailer mounted, diesel powered pumps for many applications including sludge handling, bypass pumping, pumping decant water, etc. One of the pumps we use is 30 years old and requires constant repairs. A replacement for this pump was budgeted for 2025 in the amount of \$80,000.00.

Bid documents were prepared, the bid advertised, and individual possible vendors of this type of equipment were notified of the bid. Bids were opened on December 2nd, 2025 at 2:00 pm. Seven bids were received and carefully reviewed. A bid tab is included on page 2 of this document. Note that Falcon Environmental Corporation submitted bids for two different pumps.

The bids were carefully evaluated and supporting documentation reviewed. Two pumps met all the specifications: The Godwin Dri-Prime HL80M from Velocity a Cogent Company and the BA80H D290 from BBA Pumps, Inc.

We recommend awarding to the lowest bid that meets all specifications which is BBA Pumps, Inc. in the amount of \$65,360.00.

Bid Tab for Trailer Mounted, Diesel Power, Wastewater Pump

Bidder	Falcon Environmental Corportation	Falcon Environmental Corporation	Velocity a Cogent Company	Parts for Pumps, LLC
Make/Model	Cornell 6612T	Cornell 3HM	Godwin Dri-Prime HL80M	AMCO APHH4313
Meets All Specifications	No	No	Yes	No
Price	\$76,800.00	\$77,200.00	\$83,911.59	\$72,000.00

Bidder	BBA Pumps, Inc	Rain For Rent	Amco Pump Manufacturing	Pipestone Equipment
Make/Model	BA80H D290	HH80C	AMCO APHH3113T01DE	Premier Pump and Power 2.5H-PP-TD2.9-T85
Meets All Specifications	Yes	Incomplete Bid Documents	No	Incomplete Bid Documents
Price	\$65,360.00	\$57,623.53	\$52,045.71	\$72,000.00
