Subject: Purchase of Walker Mower through Sourcewell

Staff are seeking City Council approval to purchase a Walker Mower to replace the 2008 currently in service. The new mower will be acquired through Sourcewell, a cooperative purchasing program that provides access to competitively bid national contracts at reduced pricing due to volume inventory.

The City of Craig will work directly with U.S. Tractor & Harvest, a local participating Sourcewell vendor. The quoted price of \$25,686.50 includes mower and additional collection decks.

Description:

Cost:

Walker Model D 21 HP	\$19,462.70
(2) Standard Rotation Collection Deck	\$6,223.80
