SUBJECT: 2026 Elgin Sweeper

This is a request for the purchase of a 2026 Elgin Pelican street sweeper from Joe Johnson Equipment in the amount of **\$266,366**, which includes the trade-in of the City's 2014 Elgin Pelican street sweeper valued at **\$50,000** that is still being used.

This purchase will be made through a cooperative (piggyback) purchasing agreement utilizing a competitively awarded contract through the City and County of Denver. The city will work directly with Joe Johnson Equipment under this agreement.

This procurement method is authorized under the City's Procurement Policy, Chapter 15 – Cooperative and Piggyback Purchasing and allows the City to obtain favorable pricing without issuing a separate bid.

Joe Johnson Equipment is a member of Sourcewell and holds the bid for the City and County of Denver for Elgin sweepers as well has an available build slot for the sweeper, and upon approval delivery could occur as soon as November 2026.
