SUBJECT: Solid Waste Cab and Chassis/ Automated Sideload Body

---

We opened bids for the Solid Waste Departments Cab and Chassis/ Automated Sideload Body April 29<sup>th</sup>. The amount approved for this purchase in the 2025 budget is \$460,000. If approved this will replace unit 2-08 2010 Peterbilt Automated Sideload.

Three vendors provided mandatory equipment demonstrations for evaluation for their bid to be accepted; however, only one formal bid was submitted from the following.

| <b>Jackson Group Peterbilt (Delivery 300 days after order)</b> |                     |
|--|---------------------|
| Description  | Amount              |
| 2026 Peterbilt 520 Cab and Chassis                             | \$218,371.00        |
| 2025 Labrie Automizer Body                                     | \$226,538.00        |
| Trade 2010 Peterbilt (Unit 2-08)                               | \$25,000.00         |
| <b>Total Price of Complete Truck</b>                           | <b>\$419,909.00</b> |

We would like to recommend the bid be awarded to Jackson Group Peterbilt for \$419,909.00 for a 2026 Peterbilt 520 cab&chassis with the 2025 Labrie Automizer body. They have met the mandatory pre bid demonstration, bid specifications and will leave us \$40,091.00 under the 2025 proposed budget.
