Memo

Date: June 10, 2025

To: City Manager/Mayor and City Council

From: Michael Cochran, Chief of Police

SUBJECT: Axon Body Camera/Taser Contract

In 2022, council authorized the signing of a contract with Axon for cameras, tasers, and storage. That contract expires next year and we are attempting to lock in our pricing for this year to do a renewal.

We have had several changes to our staff since 2022, which means an increased need for tasers as well as cameras. In the prior contract, we had (22) tasers, (22) cameras, and the storage. Currently we have (23) police positions and (3) CSO positions, which means adding (1) taser and (3) cameras.

In 2022, when we explored the project, we discovered the TAP program through Axon was beneficial in the fact that it gave us unlimited video storage. Without the TAP, our storage fees would have surpassed the cost of the unlimited program.

Our new contract is much the same but, has added some benefits which I will discuss and have included in your packet.:

1. New Taser 10
2. New Body Camera 4
3. Respond Integrations

The cost of the new contract is \$322,297.48 over (5) year. Our old contract was \$203,470.84 over (5) years.

Attached is the Axon quote for your review, discussion, and possible approval. This would not affect 2025's current budget but would have a need to increase out budget for the next (5) years, increasing approximately \$16,938.53 under maintenance contracts.

I would request that council approve the signing of the new contract with Axon Enterprises, Inc.
