SUBJECT: 1500 Gallon Used Oil Tank

---

We are requesting City Council approval for the purchase of a 1500 gallon used oil tank, this will replace the 1500 gallon used oil tank purchased in 2005 currently in service. We opened bids for the tank on May 14<sup>th</sup> and received 2 qualified bids from the following.

1. Eaton Sales & Service (Grand Junction Colorado), \$20,450.00
2. Mass Tank Sales (Middleboro Massachusetts), \$35,698.00

If approved this will be paid for from the plastic bag fee that the city has been collecting, which currently has \$26,367.26 and must be used for recycling related expenses.

We would like to recommend the bid be awarded to Eaton Sales & Service for the 1500 gallon used oil tank for \$20,450.00. They have met all bid requirements and are low bid.
