SUBJECT: One Ton Single Rear Wheel Truck

We opened bids for Building Maintenance 1-ton single cab single rear wheel pickup on February 3rd. Our budget for the pickup is \$60,000.00.

We received two proposals from the following dealers, with one giving three options.

Victory Motors (90-120) days out	2025 Ram w/6.4 Hemi
Base Price	\$44,900.00
Warranty	\$4,495.00
Total	\$49,395.00

Fremont Motor Company (90-120) days out	2025 Chevy w/6.6	2025 Ram w/6.4 Hemi	2025 Ford w/6.8
Base price	\$46,015.00	\$45,212.00	\$48,087.00
Warranty	\$3,359.00	\$5,650.00	\$4,745.00
Total	\$49,374.00	\$50,862.00	\$52,832.00

With the low bid coming from Fremont Motors of Riverton Wyoming for 2025 Chevrolet 1 ton at \$49,374.00, and the second low bid coming from Victory Motors of Craig for \$49,395.00. Making the difference of \$21.00 between the two bids. With the small difference between the two low bids, our long-term relationship with Victory Motors and supporting a local business. I would like to recommend the bid be awarded to the local dealership Victory Motors of Craig for a 2025 1-ton Ram Pickup for \$49,395.00 with that awarded we will still be under budget by \$10,605.00.
