

Dear Craig Skatepark Alliance,

On behalf of the City of Craig, I am pleased to extend our strong and enthusiastic support for the development of a new community skatepark.

Over the past several years, the City has engaged in thoughtful discussions with community partners, recreational advocates, and residents regarding the most suitable location for this important project. Loudy Simpson Park, with its expansive setting adjacent to the Yampa River, ballparks, soccer fields, concert venue, and new river access points, has emerged as a promising site. It offers true multi-purpose appeal, where families can enjoy a variety of activities while participants engage in skateboarding, BMX, rollerblading, and adaptive sports on the same grounds.

The City Council and I recognize the Craig Skatepark Alliance as a valuable partner in strengthening recreational opportunities for our youth and families. This project will not only promote healthy lifestyles and outdoor activity, but also serve as a catalyst for community gathering, positive social engagement, and local economic vitality.

The City of Craig is committed to collaborating with the Skatepark Alliance, Moffat County, and other partners to make this project a success. We are proud to support this effort and look forward to celebrating its realization.

Sincerely,

Chris Nichols
Mayor, City of Craig
