**To:** City Manager/Mayor and City Council

**From:** Michael Cochran, Chief of Police

**Subject:** Purchase under State Contract Price / Sole Source

The Craig Police Department has seven officers assigned to the SRT – Special Response Team. This team was last upfitted in 2014 with Tactical Plate Carriers. These carriers and ballistic panels are currently 11 years old and are much outdated.

Within the 2025 budget, council approved \$18,946.00 for equipment replacement and upgrade. In contacting the manufacture, they provided our agency with several options and pricing which sold at State Contract Price. The quote for our seven officers upfit came back at \$19,232.00. This is \$286.00 over budget.

I am respectfully requesting that council approve the purchase of the listed items from Point Blank Enterprise.

Thank You for your consideration,

Michael R. Cochran

Chief of Police
