**Re:** Purchase of CXT Double Cascadian Vault Toilet via Sourcewell

---

I am requesting City Council approval to purchase a CXT Double Cascadian Vault Toilet as part of the upland improvements for the Yampa River Corridor/Craig River Park Project. The vault toilet line item was not included in the original bid for Schedule C of the Yampa River Corridor Project for the non-EDA eligible upland amenities, yet \$300,000 has been reserved in the overall approved project budget for the vault toilet purchase with the intention to cover this expense through the awarded grant funding from Great Outdoors Colorado (GOCO).

The quote received from CXT for our selected vault toilet options totals \$105,361. The double vault toilet vendor and pricing has been acquired through Sourcewell, a cooperative purchasing program that provides access to competitively bid national contracts and reduced pricing due to volume inventory. The City of Craig will work directly with CXT to purchase the vault toilet as a Sourcewell awarded contract.

I recommend that City Council approve the purchase of the Double Cascadian Vault Toilet through CXT as a Sourcewell vendor in the amount of \$105,361.

Respectfully,

Melanie Kilpatrick

Parks & Recreation Project & Events Manager
