Re: Pneumatic Tire Roller Compactor

We opened bids for a Pneumatic Tire Roller Compactor on April 3, 2018. We received (3) bids from Wagner Equipment, Faris Machinery and Power Equipment CO. (please see the enclosed bid tab sheet). The low bidder was Wagner Equipment for the amount of \$69,949.49.

We would like to recommend that the City accept the bid from Wagner Equipment for the Pneumatic Tire Roller Compactor in the amount of \$69,949.49 after trade in of our 99 Ingersoll Rand Roller (1-77). Please contact me if you have any questions.
