

# Memo

To: City Administration/City Council

From: Mark Sollenberger/Water & Wastewater Director

Date: May 18, 2018

Re: Bid award recommendation for Water Main Replacement Project (Materials)

This memo is to recommend city council award the “Materials” bid for the water main replacement project. The sealed bids for the materials portion of this project were received and opened at 2:00pm on 5-15-18. There were four vendors who received bids with only 2 vendors submitting formal bids for this project. The Water Main Replacement Project is a water fund capital budgeted project for 2018, with a total budget amount of \$500,000.00. A matching DOLA grant of \$250,000.00 is helping fund this capital project. After staff’s review of the two bids the low bidder Core & Main accidentally had the incorrect quantity in one of the line items. This small mistake only amounted to an increase of \$170.70 to their bid. This did not affect the fact that they still remained the lowest bidder. Below is the bid tab for your review, which includes the revised total for Core & Main.

My recommendation is to award the bid to Core & Main the lowest bidder for the “materials” required for the water main replacement project at a total cost of \$81,397.93. Thank you in advance for considering this request.

<u>Vendor</u>	<u>Total Bid Amount</u>
Core & Main	\$ 81,397.93
Grand Junction Pipe	\$ 83,298.14
Dana Kepner	no bid
Grand Junction WinWater	no bid

\*Note: This bid does not include materials for the bid Alternate #1 “Ridge Road” water main replacement.
