Good morning Marlin

I would like to serve another term on Planing and Zoning. I have enjoyed working with you and the other commissioners. I look forward to reviewing upcoming projects with the intent of making good decisions for Craig.

Respectfully,

Randy

Good morning Randy,

I am checking to see if you would have time to email me your interest in serving another P&Z term.

If I gat it this morning, I can get it on next Tuesdays agenda.

Just let me know,

Thank you.
