---

On Wednesday, February 5, 2020, we opened bids for our 2020 Construction Materials contract. This bid is for purchasing road base, chips for chip seal, washed rock, pit run and topsoil for our Road and Bridge, Water and Wastewater departments. We received 2 bids. Attached is a bid tabulation sheet. The low bidder was Elam Construction in the amount of \$85,600.00. We would recommend the award of bid to Elam Construction, for the estimated quantities of construction materials, at the per ton price bid +/- 25% of the estimated quantities for the 2020 Construction Materials.

Please feel free to contact me @ (970) 824-4463 if you have any questions or concerns.
